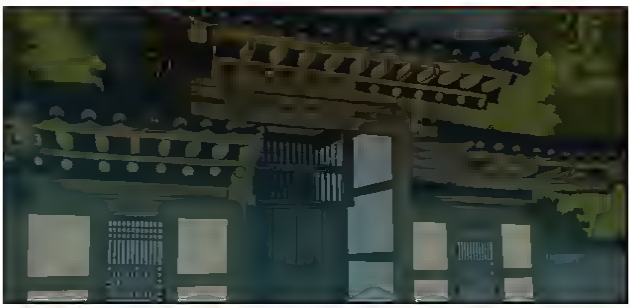
Chapter 16 Exploding

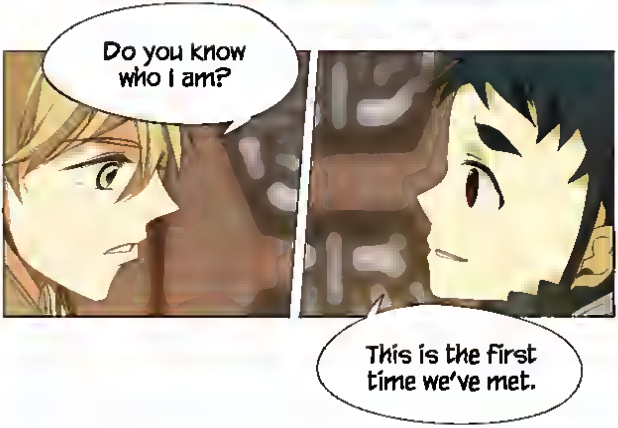


Sigh

What? Why aren't you opening the door?
I- I was just about to.
To be honest...
Slide

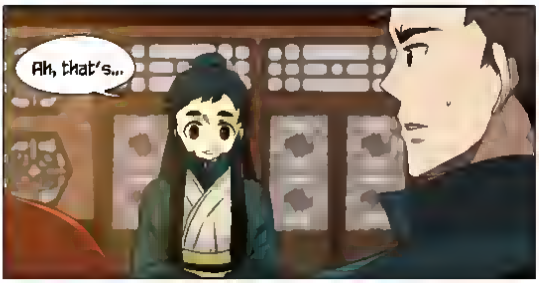
...I don't even know if I'm doing the right thing.
Welcome.
I greet you, king of Myung-Joo.
...

Do you know this kid?
Who's this little guy?
A... kid?



Do you know who I am?
This is the first time we've met.

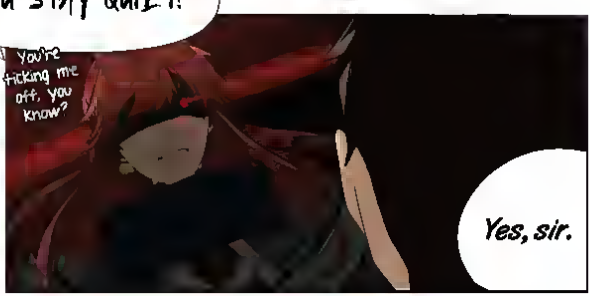
Then how did you know about me, and helped me?



DOES IT MATTER WHO HE IS?

OUR PRIN—, ER, OUR MASTER DIDN'T HELP YOU WITH BAD INTENTIONS!!

YOU STAY QUIET!



Now, who are you?
My name is Dong-Hyung.
I'm the 3rd prince of Dae-Hyun.

Dae-Hyun's...?
Prince?

STEP
UP
YOU BASTARDS! I KNEW THIS WOULD HAPPEN!
YOU'RE ON THE SAME SIDE AS THAT SONOFABITCH!

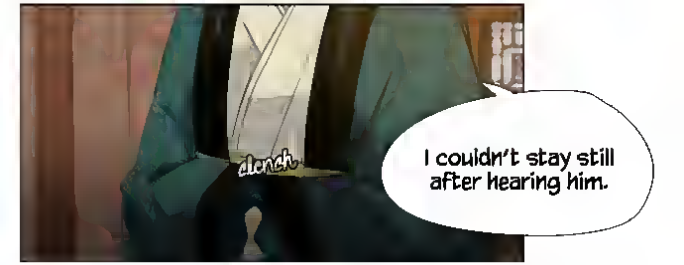
Please wait!! He is the prince, but he really does want to help.

IF THIS KID IS THE PRINCE OF DAE-HYUN, THEN HE'S THAT DICK'S BROTHER!
How crude.
THAT JERK WAS JUST ABOUT TO KILL US!

THEN IT MAKES NO SENSE FOR HIS LITTLE BROTHER TO HELP US!
IS THIS SITUATION BELIEVABLE TO YOU GUYS?!
Y-you're right...
Hold it.
I think you're getting confused here.
Although I don't know too much about Dong-Hyung's intentions...

...he's just foolish enough to help the king of another country.
H-how dare she talk like that to a prince!

I overheard it by chance.
In the palace, I heard my older brother talking to the Divine Bells.



clench
I couldn't stay still after hearing him.

Do you even know what you've done?
You've betrayed your own brother by helping us.
If word gets out that you defied the emperor, even you won't be safe.
I know what I've done.
I also know that I'm endangering the people around me.
But... but...

This time, my brother is doing the wrong thing.

I'm sorry.

No. I must thank you for helping us.
Ah

But just know this.

Just because you've helped me, I won't forgive your brother, the emperor of Dae-Hyun.

Right now...

...I wouldn't be satisfied even if I ripped him to pieces.

Did you really...

I want to stop.
I don't think swordsmanship suits me, Master.
Can't we do archery instead?
No can do.
With all these people watching, we can't do something you're good at.

This is exhausting too, Master.
Sits
Tough, isn't it? Surviving in this palace where you don't know who's your friend and who's your foe.

But, my lord, if you can hold out against all that and survive...
...Can you imagine how strong you'll be then?
...
Not at all.
Ha ha
Then how about this?

?
If it's too hard to hold back, you can reveal your true self.
When I'm too tired to hold it back?
No, not when you're tired.
Then when?

When you feel

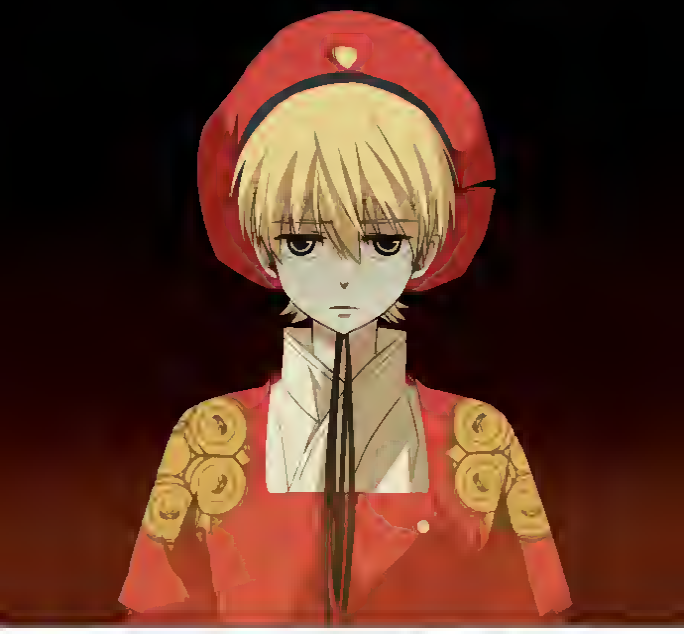
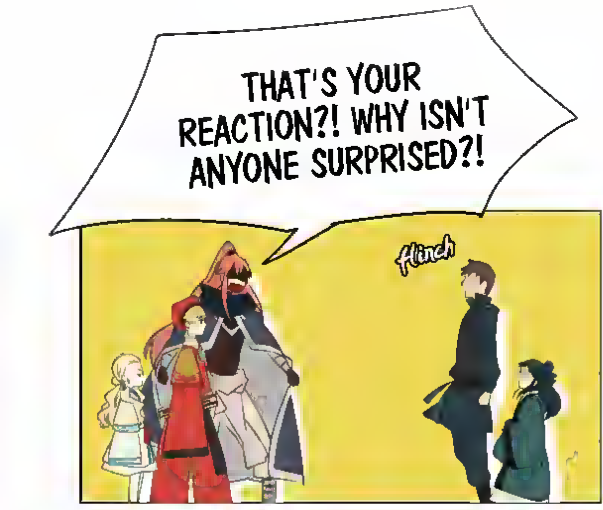
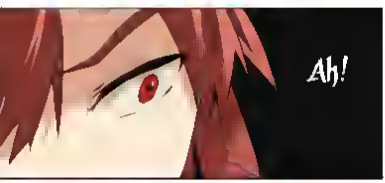
Right now,

I wouldn't be satisfied even if I ripped him to pieces.



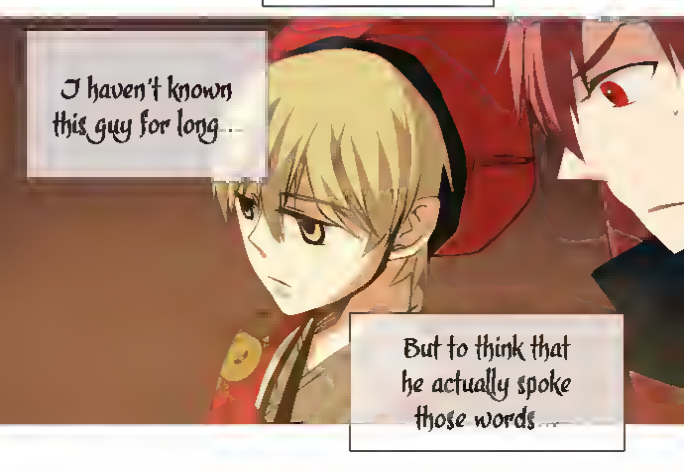


THAT'S YOUR REACTION?! WHY ISN'T ANYONE SURPRISED?!
flinch



Ah!

They've only first seen the king today...
?
?
.. I forgot that.



I haven't known this guy for long...
But to think that he actually spoke those words...

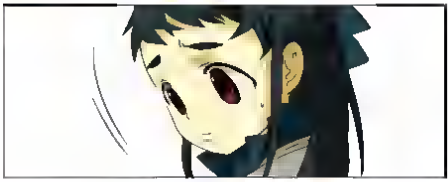
I'll be going now.

If I stay any longer,it will endanger your household.

WAIT!
PLEASE LET US HELP!!

Help whom?
You.
Why? You don't need to help me.
Or do you want to overthrow your brother and take his place as Emperor? And you need my help with that?
WHAT ARE YOU SAYING? OUR PRINCE ISN'T LIKE THAT!

There must be a reason for you to be doing something that seems so suspicious.
You say that you couldn't just ignore your brother's conversation with the Divine Bells. But that's not a reason to risk your life to help me.
I think you have a motive in helping me.
If you don't tell me what it is, I won't accept your help.



My brother... started acting strangely.
He's no longer the brother that I once knew.

He was kind and wise — more than anyone.
But he started to change about a year ago.

Throw
He suddenly started acting as if he was addicted to something.
And he deposed Crown Prince Jin-Won, our oldest brother, by rioting with his men and became the emperor.
LET ME GO! I SAID LET ME GO!
HYUN-JOO, YOU BASTARD! HOW DARE YOU!

After becoming emperor, he seemed to be working hard for the nation and its people, but actually many times, he acted inexplicably.
If it continues, he will destroy Dae-Hyun.
I don't think that he cares about the well-being of Dae-Hyun.
To be honest, I think I'll be able to find out why he changed if I work with you.
I think I can change him back if I know the reason.
What if he doesn't change back, even if you know the reason and confront him?

Did you know that Dae-Hyun has been abusing the Divine Bells?
I overheard him. I still can't believe that Dae-Hyun has been fooling other countries like that.

Your brother was the one who unsealed the Divine Bells. Did you know that too?

Dae-Hyun has oppressed the other countries with the power of the Divine Bells.
Now that the seals are broken, the truth of the last 150 years will be revealed.
When that happens, the countries will break out in war.
So you're right. Your brother doesn't care about the well-being of Dae-Hyun at all.
I don't know why, but he unsealed the Divine Bells for some reason.
He is desperately trying to achieve something.
Do you think he'll return back to his usual self just because you find out why he changed?

Do you even know how naive you sound right now?

No mercy
You might not know, because you've had the untroubled life of a prince of Dae-Hyun.

But you don't know how deeply a person's greed can run. Or how they can get so violent when they want something.
You're thinking that you can change him because you haven't met those types of people.

You don't know how pointless and naive you sound.
PLEASE WAIT!
It's not too late, so just pipe down and be satisfied with your current situation. Just continue living under the protection of the emperor.
This would be better for you and the people around you, too.

Chapter 17: Wanting to Believe

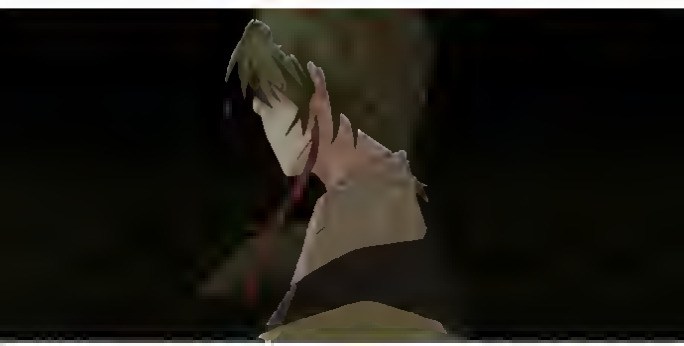
Sorry.
Huh?
?

Just who am I getting mad at?

YOU CAN GET MAD AT ME INSTEAD OF AT MY BROTHER!

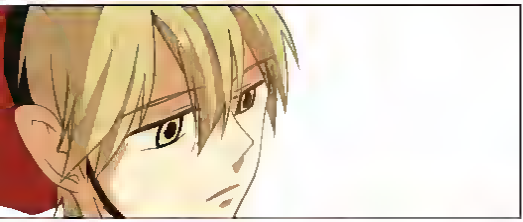
No, I'm not angry at your brother...
PLEASE VENT ALL YOUR ANGER AT MY BROTHER ON ME!
IF IT MAKES YOU FEEL BETTER!
But I know that you won't be satisfied with that.
And I already know what I am doing is childish.

But I still want to believe.
I want to believe in the brother that I once knew.



You could eventually be betrayed, but you still want to believe?

Yes. I do.



You're the same as me then.

You want to...

...believe, as well.

And even if my feelings are betrayed, I want to help you and make up for some of my brother's transgressions.
So please let me help.
I can use you for the future of Myung-Joo, but that's still fine?
YES, THAT'S ALL RIGHT!

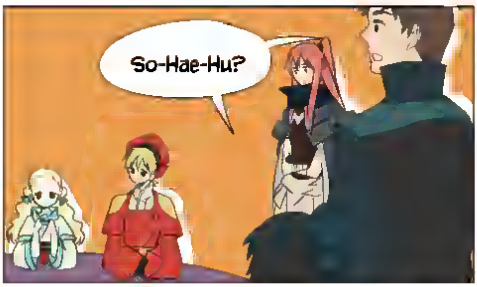
If the current emperor drove out the Crown Prince, that means he found out about the Divine Bells while still a prince.

Do you remember when he started to act oddly?
No, not the exact time.

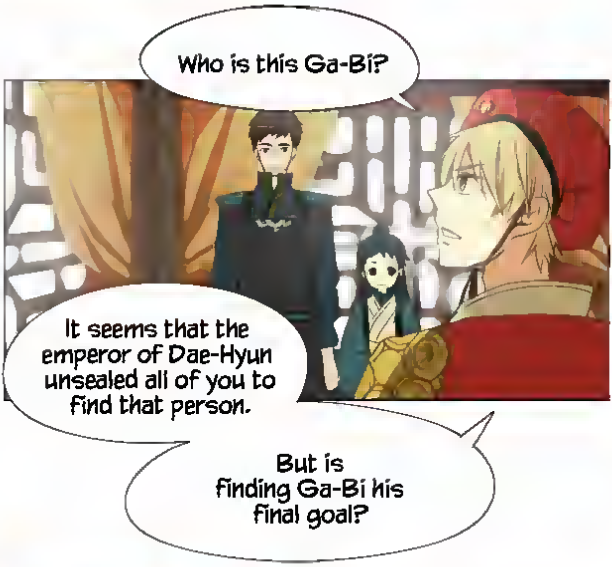
But since he knew who we were and unsealed us, who could've told him about us?
The seal shouldn't have weakened, even after 150 years.



*CHEUN-UM HALL: RESIDENCE FOR THE PRIESTESSES.

She was quiet and didn't talk to anyone.
Clink
According to rumor, she had very strong Divine powers.
If the emperor himself brought her in, then it must've been to break the seal.

Ga-Bi.



Who is this Ga-Bi?
It seems that the emperor of Dae-Hyun unsealed all of you to find that person.
But is finding Ga-Bi his final goal?

Since it has come to this, I guess I have to explain.
I've told you before, right? We're not really gods.
Do you really think that we're gods?

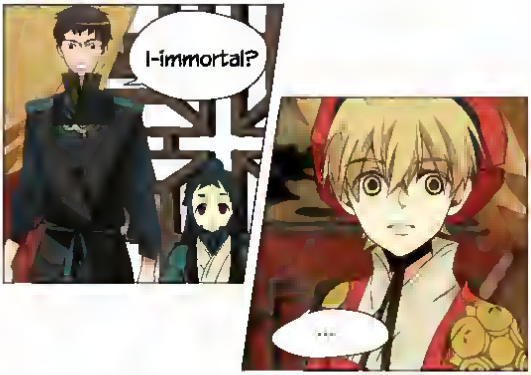
To tell you the truth, we were all divine beings of the Dae-Hyun Empire, 150 years in the past.

When you say "the empire's divine beings," you mean all of you?

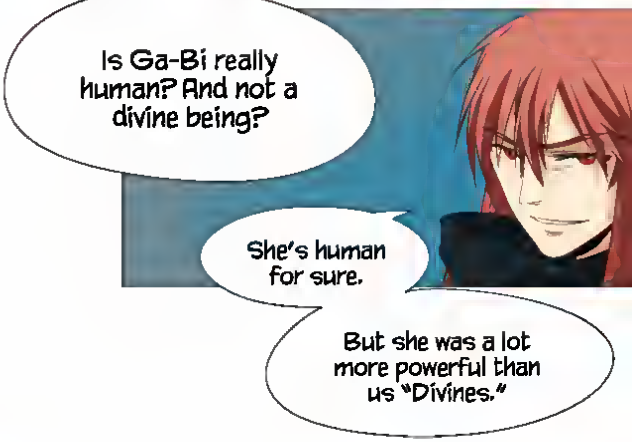
We were created by Ga-Bi, a priestess of Cheun-Um Hall,
by order of the emperor.

That's ridiculous; is that even possible?
Even if her powers were great, she created eight of your kind?
It's possible if it was Ga-Bi.
But a priestess from 150 years ago wouldn't be alive now.
So why is the emperor looking for her?
Her powers were immense.

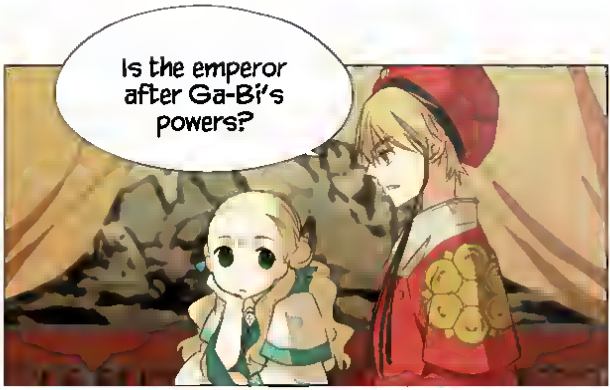
She was
almost immortal with
her powers.
That's who Ga-Bi was.



I-immortal?
...

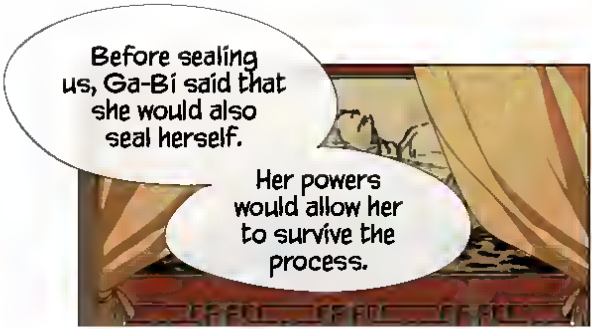


Is Ga-Bi really human? And not a divine being?
She's human for sure.
But she was a lot more powerful than us "Divines."



Is the emperor after Ga-Bi's powers?

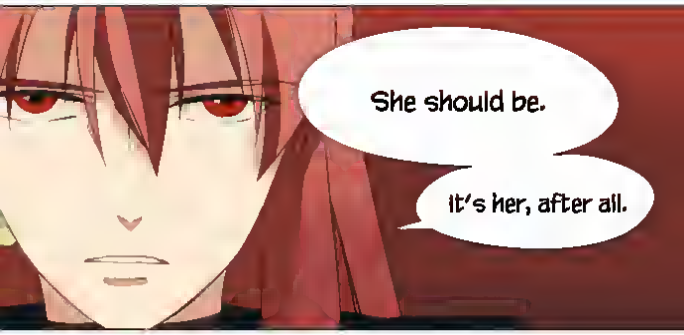
What is he trying to achieve with Ga-Bi's strength?
I don't know, but anything is possible.
After all, Ga-Bi was strong enough to seal both herself and us.
She sealed herself?
Yep, but I was already sealed, so I didn't witness it.



Before sealing us, Ga-Bi said that she would also seal herself.
Her powers would allow her to survive the process.

So my brother is looking for that sealed priestess.

What do you think? Do you believe that Ga-Bi is still alive?



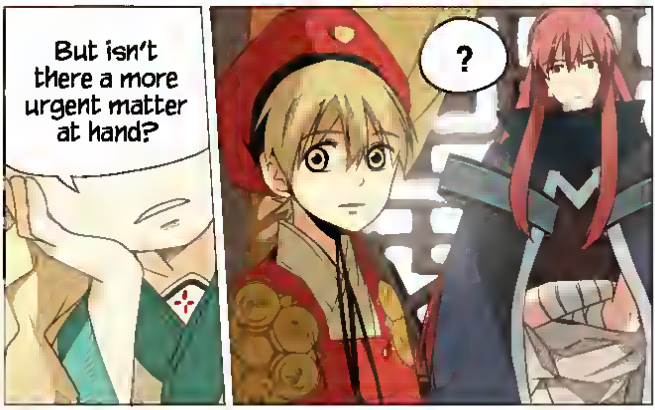
She should be.
it's her, after all.

I want to find Ga-Bi.

I don't know for sure why the Emperor wants to find Ga-Bi.
But in doing so, he risks exposing Dae-Hyun's manipulation of the Divine Bells.

It's certain he's up to no good. So we need to find Ga-Bi first —
before they find her.

...



But isn't there a more urgent matter at hand?
?

You!
And you, too!

I grant that you were lucky.

But I won't go easy on you again. Come to the same place, same time, tomorrow.

You must be there. If you don't arrive on time —

I can't guarantee Myung-Joo's safety!

My Lady!

What happened?
On their way to Dae-Hyun, all contact with the king and his attendants was lost.

!
So, that guy was right.
The king will disappear shortly after leaving for Dae-Hyun.
What should we do?
Send out a search party first.
We should look for them... at least.

!

M...MU-HYANG!

...
I heard that the king has gone missing.
So I've heard! Just what is going on?

Don't worry too much about it.

Your mother will go out and search for our king at once.
Do you know anything about this, mother?
WHAT ARE YOU SAYING?

Don't forget
about our promise last year.

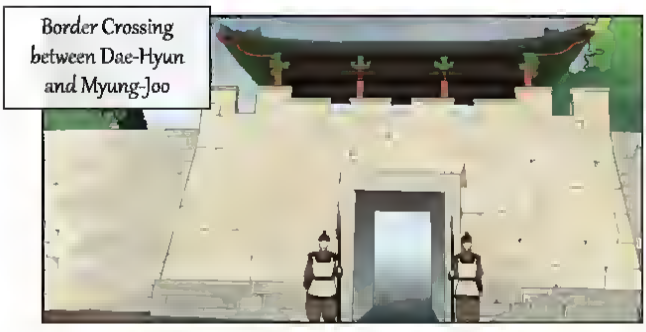
What's happening near the borders of the country?



Border Crossing between Dae-Hyun and Myung-Joo

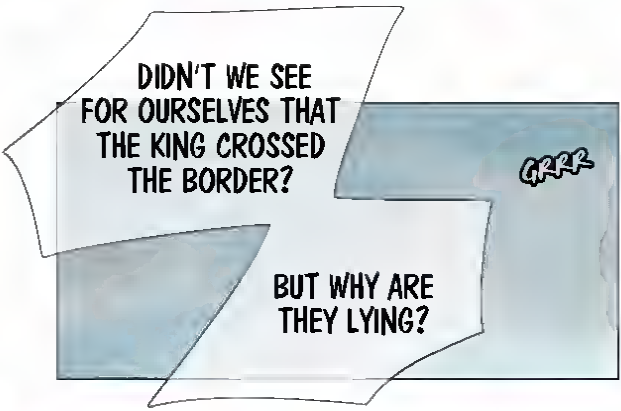
The king hasn't crossed the border yet.
Are you sure?
WHY WOULD I LIE, SIR?

THE KING HASN'T CROSSED YET!

This is the Fragrance of Forgetfulness.
When anyone smells it, they will lose about a day's worth of memories.

Then did anything unusual happen?
It was just a normal day

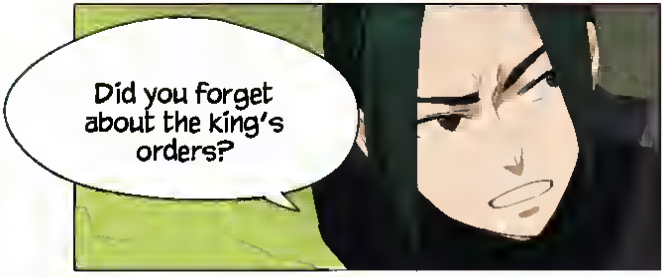
THOSE GUYS ARE LYING!



DIDN'T WE SEE FOR OURSELVES THAT THE KING CROSSED THE BORDER?
GRRR
BUT WHY ARE THEY LYING?

According to the palace gossip, the king was declared missing, and the palace is in a state of panic
Did something happen to him after crossing the border?
ARRGH!

What are you going to do?
Stands
WHAT DO YOU MEAN? THOSE GUYS ARE LYING!
WE SHOULD REPORT THAT THE KING DID INDEED PASS THE BORDER!



Did you forget about the king's orders?

Do not be seen by anyone.
Do not show yourself to anyone.
That is how you can help your country and your king.

...
I understand.
I feel the same as you right now. But what we should do now
is report it to our seniors in the Covert Corps.

Ah, I did it!
You finally threaded it after 30 minutes

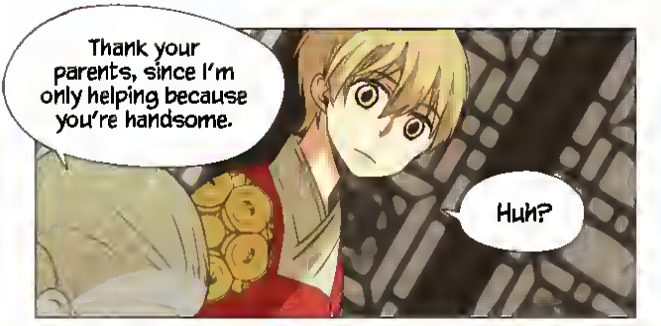
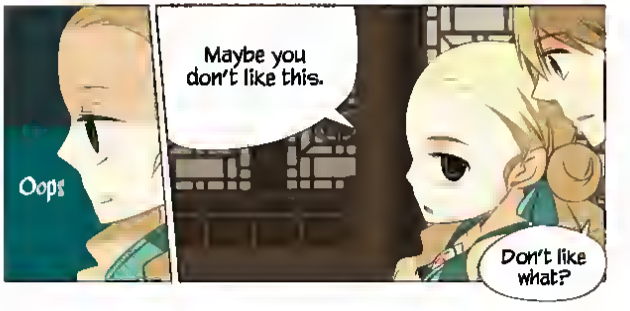
Thank you.
But I've just started.
You sure know how to pressure someone!
No, I mean... thank you for helping out yesterday.

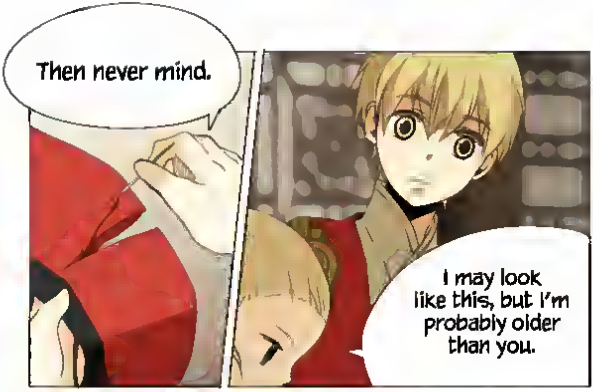


Thank your parents, since I'm only helping because you're handsome.
Huh?



Oops
Maybe you don't like this.
Don't like what?

I was just thinking that maybe you don't like someone who looks younger than you talking with you so casually. You are, after all, a king.
I never thought that.



Then never mind.
I may look like this, but I'm probably older than you.

My growth was stopped because of my powers.

Her growth stopped because of her powers?

How come they let someone with so much power leave the shrine?
Obviously, I ran away.

Ran away?
Yep. Just because you have powers, it's unfair to be forced to stay in the shrine to serve Dae-Hyun and its emperor for the rest of your life.
That doesn't sit right with me.
And Dong-Hyung helped me after I ran away.
Actually, most of the people in this household have a similar background.
Same with that guy Wi-Jin.
It's really amazing isn't it? That little prince is so naive and idealistic.
So he is.

...Protecting his country in his own way as a prince of Dae Hyun.
All done!

Here you go!

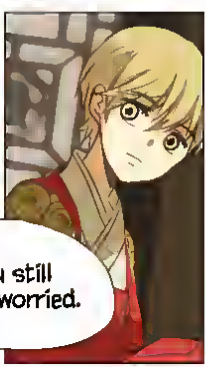
Is this what they call a King's kindness?



You still seem worried.

So, did you make up your mind? On what you'll do?

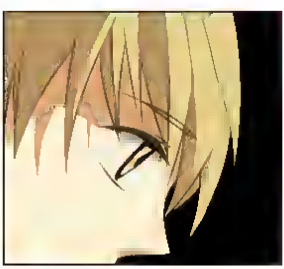
Don't even think about dying. That's not gonna help Myung-Joo at all!

Do you really think that I would let myself be killed?
WELL, YOU ARE ACTING STRANGE.

YOU'RE LIKE A PERSON AWAITING DEATH, UNCONCERNED ABOUT THE CONSEQUENCES!

Do you even know me enough to judge that?
Do you even know how bratty you've been lately?

...



I'm just angry at myself.

I just wonder what I've actually achieved so far.
I fooled everyone, including myself, to survive in that palace.
Thinking that Myung-Joo will be well as long as I'm alive.
I fought and survived for the good of Myung-Joo.
But I couldn't even protect my own people. I was completely useless when it mattered.
I'm just angry at myself. I'm relying on the little brother of the man threatening Myung-Joo.

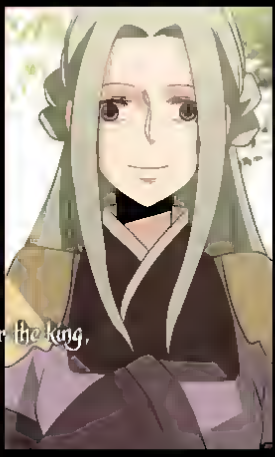
Divine Bells 7

Chapter 20 Chui-Bi

HOW COULD YOU MARRY A GIRL FROM A FAMILY THAT'S NOT EVEN WORTHY TO BE CALLED A "CLAN" ANY LONGER?
DOES THAT MEAN THAT YOU DON'T TRUST US NOW, MY LORD?
WHY DO YOU ABANDON US NOW?
T/N: THE MEN IN THE FUNNY HATS AND BLUE CLOTHES ARE REPRESENTATIVES OF THE ROYAL CLANS IN THE KINGDOM.

YOU CANNOT DO THIS TO US!
You may be just a concubine now, but someday, you will become the queen.
I can promise you this as your father. Don't be discouraged just because you're a concubine.

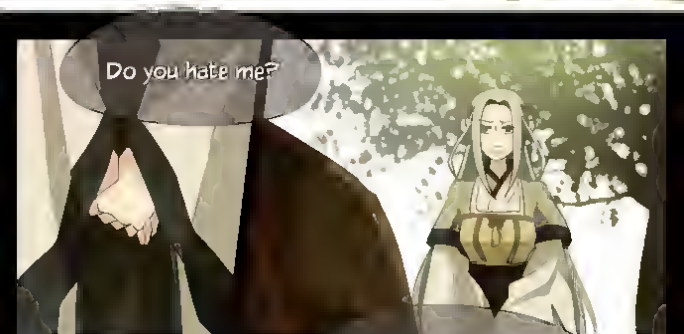
To be honest I was never interested in becoming the queen.



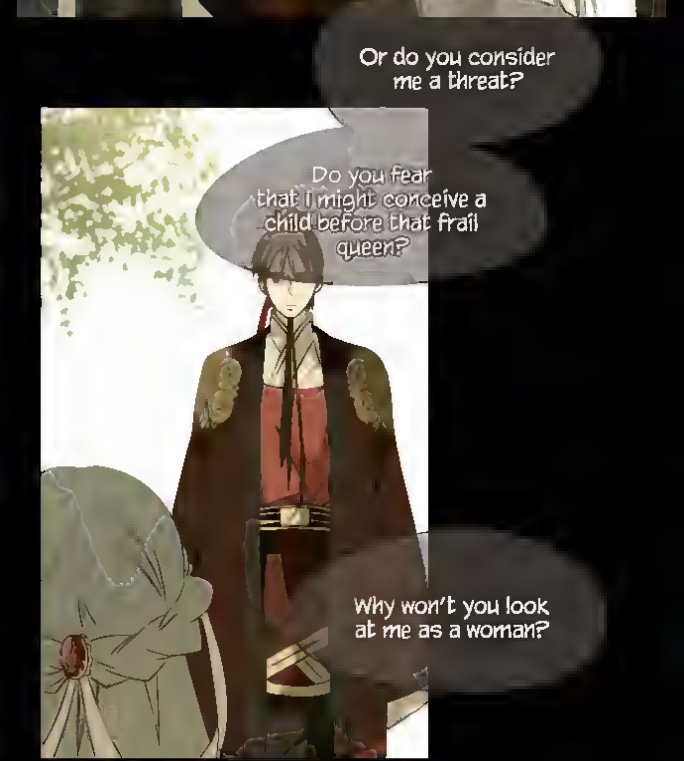
I just wanted to be near the king.

And I was satisfied whenever the king looked at me.

My lord, why won't you visit my quarters?



Do you hate me?



Or do you consider me a threat?
Do you fear that I might conceive a child before that frail queen?
Why won't you look at me as a woman?

pivot

It has already been half a year since the queen passed away from illness.

With so many officials supporting you to become the new queen, I doubt the king can hold off any longer.

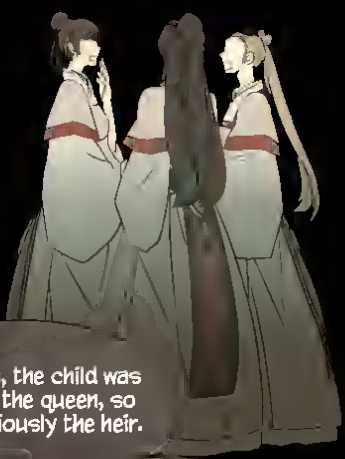
And since the queen died without leaving an heir...

My son Mu-Hyang will be...

...the official heir to the throne.
My son will be King of Myung-Joo.
WHAT ARE YOU SAYING?!
Daughter...
TO MARRY A BITCH THAT'S NOT EVEN BORN FROM A CLAN!
HOW CAN THAT BE?

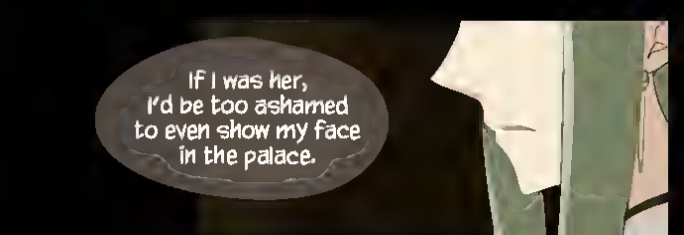
There's no way.
You must've heard it wrong, father.
The king... the king cannot do this to me.
CLENCH

So what will happen to Chui-Bi and her son now that the queen has given birth to a son?

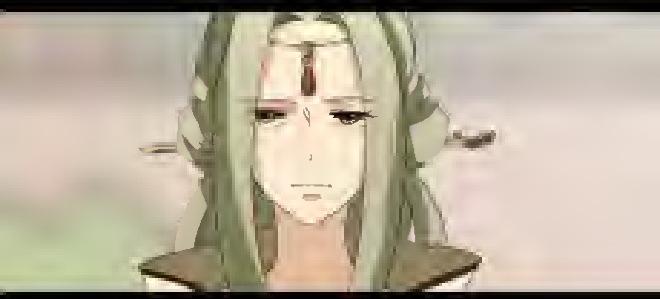


Anyways, the child was born to the queen, so he's obviously the heir.

And it's still questionable how Chui-Bi actually conceived.

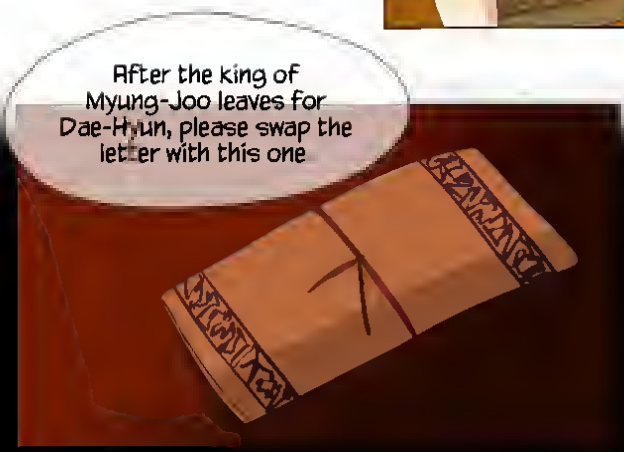


Ha. Ha.



CRACKLE
CRACKLE

rustle



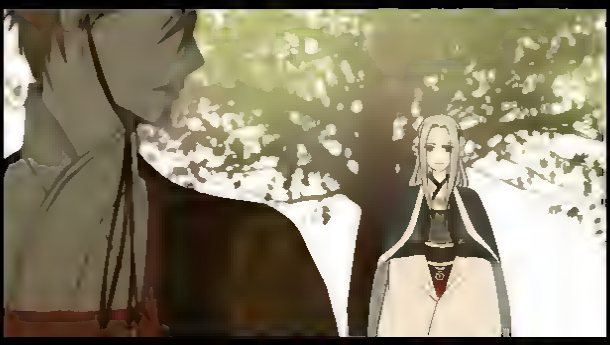
After the king of Myung-Joo leaves for Dae-Hyun, please swap the letter with this one

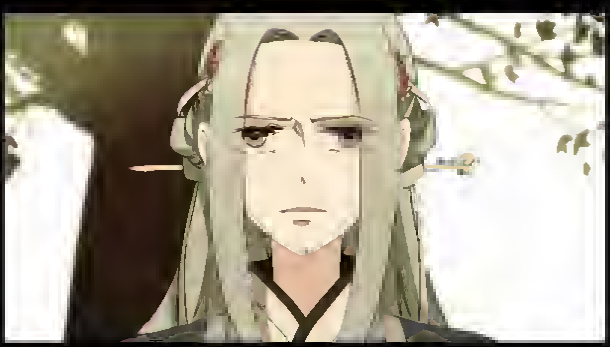
And what might this be?
This is a copy of the letters sent to all the rulers other than Myung-Joo.
The emperor has ordered me to pass this on.

Nevermind the reason.

However, this will be your only chance to crown your son as the king.

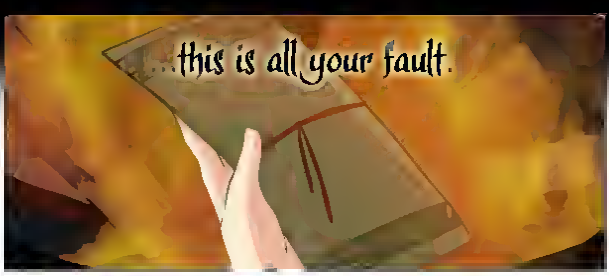
I have become pregnant.



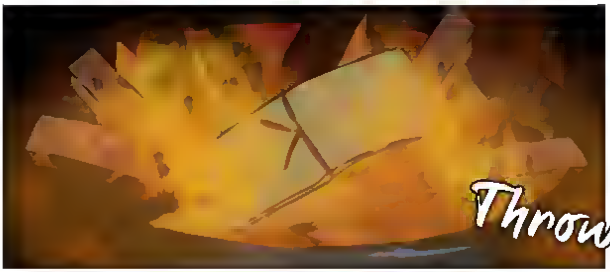


You should have struck me down then and there.

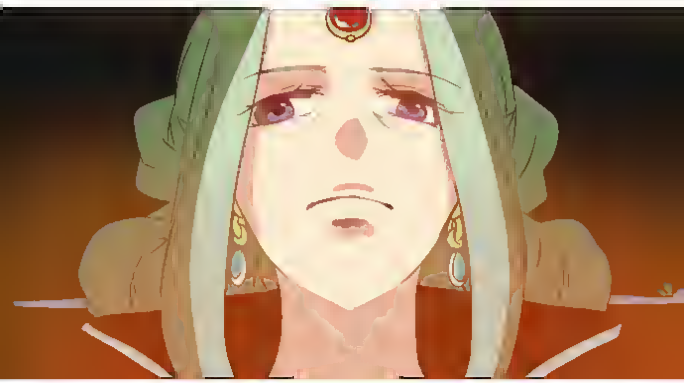
Whether you had political motives or you were being sympathetic,

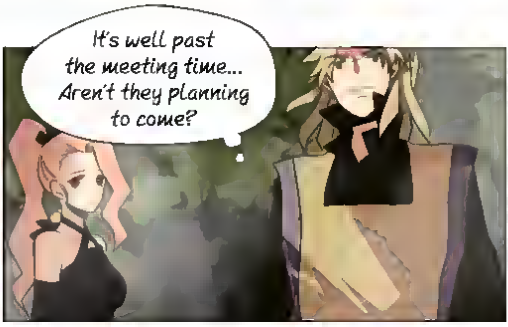


It is not my fault if your son
does fall in danger...

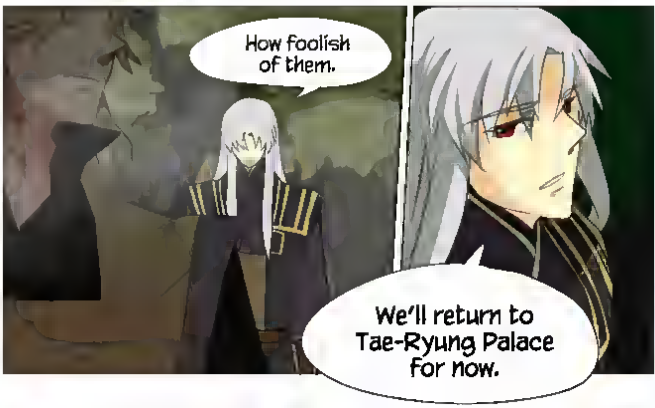


...but rather, yours.





It's well past the meeting time... Aren't they planning to come?



How foolish of them.
We'll return to Tae-Ryung Palace for now.

Am I too late?

Welcome
But you came by yourself?

Nope, we came together.

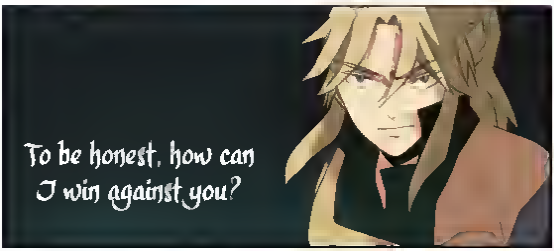
What are you up to now? You've been acting like a wimp for a while.



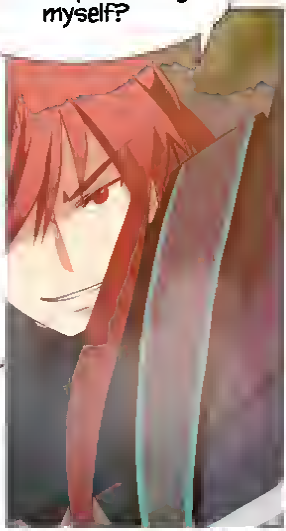
To be honest, how can I win against you?

Shoop
...by myself?!

Torch

Whatever shall we do? None of your attacks work against me.

Or were you planning to catch me off guard while I'm protecting myself?



But — too bad! I'll ward that off just fine, too.

I'm not attacking only you.

What?

Gee, I don't think I'm that useless...
I don't think so, either.

HEY, WHAT ABOUT ME? DISCRIMINATION!!

GANG-HUI, ARE YOU HURT?!
'Tis nothing, Your Highness, so don't you fret.
Alas! You sacrificed yourself to protect me, didn't you?
I fear that you cannot defend yourself with me around!
I'll be fine, so save yourself.

NAY, SIRE, NEVER SAY THAT!
YOU ARE MY ONE AND ONLY MASTER!
I'M NOT THE TYPE TO RUN AWAY JUST TO SAVE MYSELF!

You merely need to put your trust in me, Master.

WE DO WANT TO CRY. BUT FOR A DIFFERENT REASON!
Did I just see some weird scenery behind them?

Gang Hui is acting too strangely.

GIVE IT A REST, ALREADY!! YOU MIGHT AS WELL STICK A NOTE ON HIM SAYING THAT HE'S A FAKE!
IF YOU'RE GOING TO TRICK SOMEONE, AT LEAST MATCH THE PERSONALITY!!

You're complaining about the brilliant dialogues I composed while coughing up blood?

Gang-Hui. Just be quiet.

LET'S GET THIS OVER WITH AS SOON AS POSSIBLE.

HE GAVE UP!! HE'S GIVEN UP!!!

Why won't it rain? It looks like it should rain any time now.

I came up with this strategy so the fire-wielding Divine Bell
dies without suspicion when the rain makes him useless
But if it doesn't rain within the hour, we're going to be in trouble.
And I'm starting to get dizzy because it's been so long since I've used this much power

I CAN DO THIS BY MYSELF!

Please... Just keep Ju-Hie out of this.

I see. You want to do this yourself because you don't want her to kill your old friend.

If that's the case, you need to do better than that.

Are you simply too weak to finish him off?

Or do you want me to order you?

Wait, that emperor seems to know a lot about us Divine Bells —
about waking us up, and about our existence.

No... it couldn't be him.

If it was, he wouldn't be so up-front about it. He's the type to hide himself and act deviously.

Hey, Emperor. Let me ask you something.

Are you Baek-Yeom?

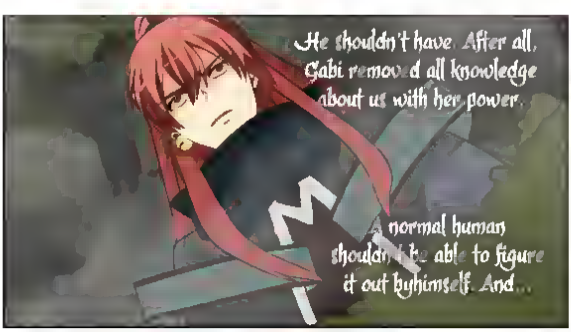
Baek-Yeom?

Baek-Yeom?

That same thought did cross my mind, but...

If you don't know him, then it's fine. But you must know at least one thing.
You're being used by someone.
What did you say?

Oh, come on. You really think that nobody would dare use you — the emperor?
Then how did you find out about the Divine Bells and Gabi?
Did you really work it out by yourself?



He shouldn't have. After all, Gabi removed all knowledge about us with her power.
A normal human shouldn't be able to figure it out byhimself. And...

...Looking at his expression, I guess I'm spot-on.

Think. Are you really doing this because you want to? That is, of your own free will?

Consider whether someone is really controlling you... controlling the supreme emperor like a puppet.

Bullshit.

But there's a problem.
A problem?
We were created by melting a huge bell and dividing it into eight different bells.

So?
Basically, the eight of us are a single entity. So if one of us dies, the others will notice.
Even if I pretend to be dead and fool the emperor, the other Divine Bells would know better.
...
We're back to our starting point.
We're running out of time, so what should we do?
All we can do is to trust in that.

In "that?"
Our mutual awareness.
They need to read the mood and play along in front of the emperor.
Will they do that though?
I'm sure Ju-Hie will turn a blind eye to us, but I'm not sure about Yun.
He really likes to piss me off all the time.
We can't carry out the plan if you're not confident about it!

But that's our only choice right now.
We must simply trust them.

You want me to turn a blind eye to this?

You dare defy me, the emperor of Dae-Hyun? You? A measly priestess?
I let you into this imperial court when everyone called you a monster.

Yet, you are ungrateful...

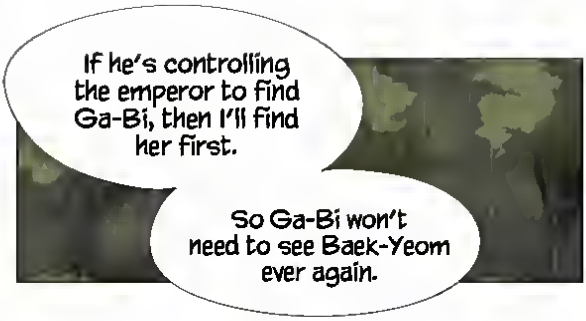
I'LL REMEMBER IN MY NEXT INCARNATION!
GABI! I WILL REMEMBER, AND I WILL FIND YOU!

So do you really think that he's back again?
That's the only explanation that I can think of for these events.
He's using the current emperor of Dae-Hyun to wake us up and find Ga-Bi.

Or, could the current emperor possibly be Baek-Yeom? He could just be pretending to know nothing!
What do you think? You should know, since you're always by his side.
Do you think he's Baek-Yeom?
...
So, what are you trying to say?
I will find Ga-Bi.



If he's controlling the emperor to find Ga-Bi, then I'll find her first.
So Ga-Bi won't need to see Baek-Yeom ever again.

BUT YOU SAID THAT YOU DIDN'T KNOW WHERE GA-BI IS!
I don't.
But then how do you plan to find her?
I don't know where she is, but I have some clues.

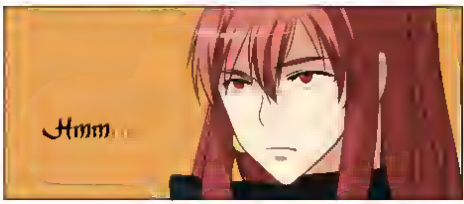
Clues?
Which are?

I'M NOT TELLING YOU.
SAY WHAT?!

WHO KNOWS IF YOU'LL LET IT SLIP IN FRONT OF THE EMPEROR.
URGH

What will you do when you do find Ga-Bi?
I don't know.
But don't you think it would be better if I find her before the emperor?

You chose the king of Myung-Joo yourself, but he's still a king even if he's young
Can you be sure that he won't go after Ga-Bi's strength for himself?

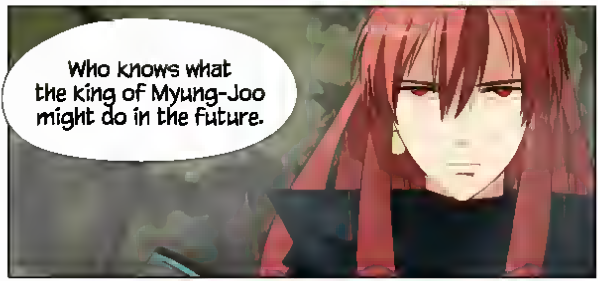


Hmm...

Greed..
Greed..
GRE ED

No way. He's not the least bit greedy.
The suggestion is actually quite funny.
THAT'S WHAT YOU THINK!

You know what humans are like.



Who knows what the king of Myung-Joo might do in the future.

MWA-HA-HA-HA
MWA-HA-HA

I simply can't imagine it.
The image censors itself automatically.

drip

Anyhow, Yun...

...We better not meet again.
Of course we won't. Just don't get noticed with your flamboyant actions.
If you do, one of us must die.
It'd be you, though.
HEY!

Do you really want me to kill you right here and now?
Can you even kill me?

Hu-hu-hu. I'm so glad I stuck around. This is a great catch!
I think the red-haired Divine Bell knows where Ga-Bi is.
Seems so.

And we got something else out of it.
He really seems to be the emperor of Dae-Hyun from 150 years ago.
I really couldn't believe him before. Claiming that he's the emperor from 150 years ago.
I thought he was crazy.
Well I still think he's nuts
But don't trust him too much.

We've never actually seen his face before.

And it has always been that girl who delivered his messages.

Just like when he wanted to find us.
I don't trust him at all.
LEAN
We just need to play along and find Ga-Bi for our own ends.

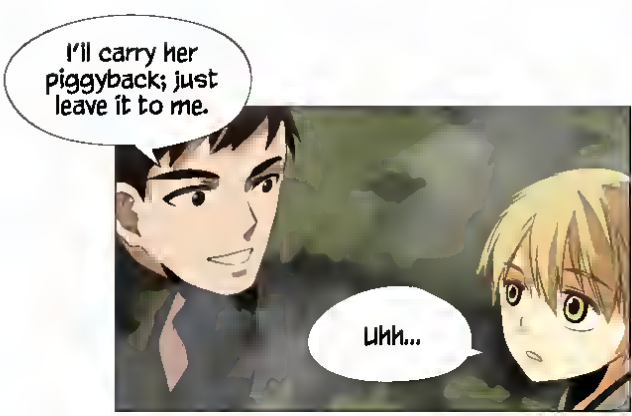
She's only sleeping, so you don't need to worry.



I'll carry her piggyback; just leave it to me.
Uhh...

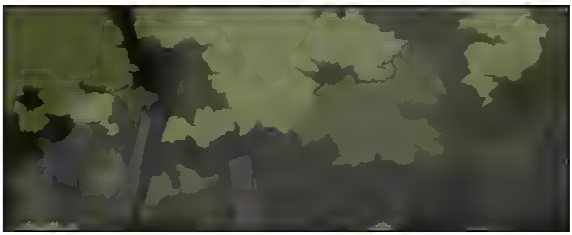
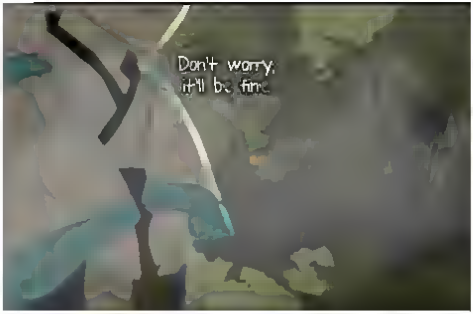
EHH?! W-WHY?
I can't-
Oh, so you like the clingy type? Heh!
That's not it.
Just now...
O-o-oh...
Dizzy
Drop
Huh?

YOU DON'T NEED TO WORRY ABOUT WHAT SHE SAID!

Because there's nothing else that I can do right now.



You sure it's all right? If she's heavy, please pass her on to me straight away!!
Aw, pipe down. How heavy can this kid be?



Don't worry, it'll be fine.

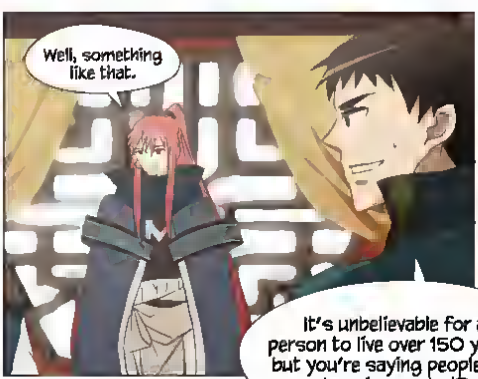
So, you're saying: this Baek-Yeom person, who was the emperor of Dae-Hyun 150 years ago, has been reincarnated,
and he's manipulating the current emperor to find Ga-Bi?

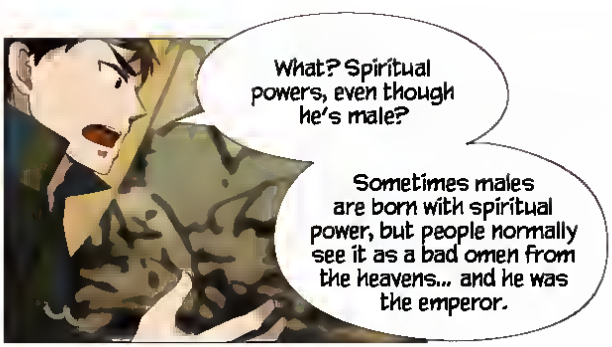


It's unbelievable for a person to live over 150 years, but you're saying people can be reincarnated?

Would I be able to do so if I so chose?

It's impossible for normal humans, obviously.
But, you say that this Baek-Yeom person is able to?

Well, he did possess some spiritual power as well.



What? Spiritual powers, even though he's male?
Sometimes males are born with spiritual power, but people normally see it as a bad omen from the heavens... and he was the emperor.

I've never heard of any emperors having spiritual powers before.

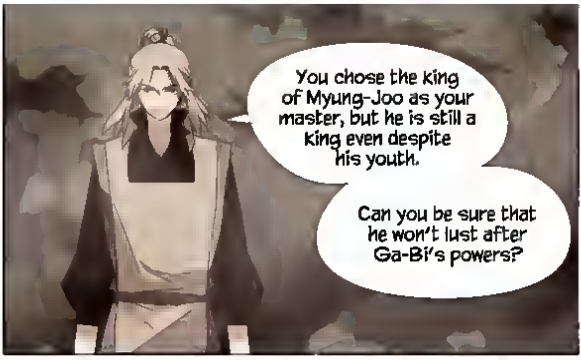
Ga-Bi erased all memories about us and of the emperor having powers.
Also, Baek-Yeom should've lost all of his powers afterwards.

So, you can do that with spiritual powers.

It's not like anyone who has spiritual powers can do it.
After all, Baek-Yeom possessed a sizeable amount of power, but he used all of it up.
To be honest, we highly doubted that he could reincarnate himself.

So he's really back, this Baek-Yeom person.

About finding Ga-Bi,
I would like to help, too.

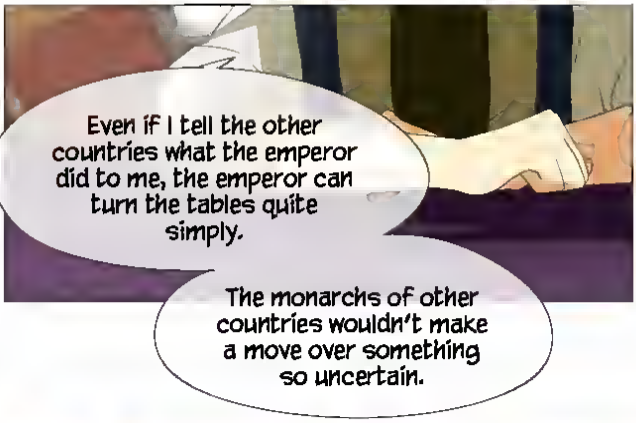


You chose the king of Myung-Joo as your master, but he is still a king even despite his youth.
Can you be sure that he won't lust after Ga-Bi's powers?

Will you try to do anything with Ga-Bi's powers?

No.
Is that so?

I want to find out what the current emperor of Dae-Hyun is up to while finding Ga-Bi.
What will you do when you find out?

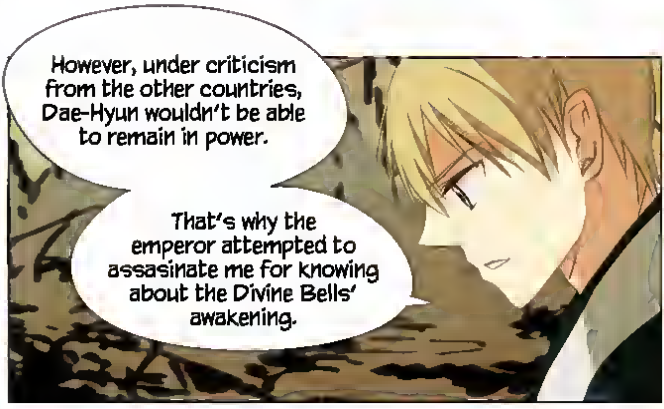


Even if I tell the other countries what the emperor did to me, the emperor can turn the tables quite simply.
The monarchs of other countries wouldn't make a move over something so uncertain.

And there's no reason for them to act on my behalf.

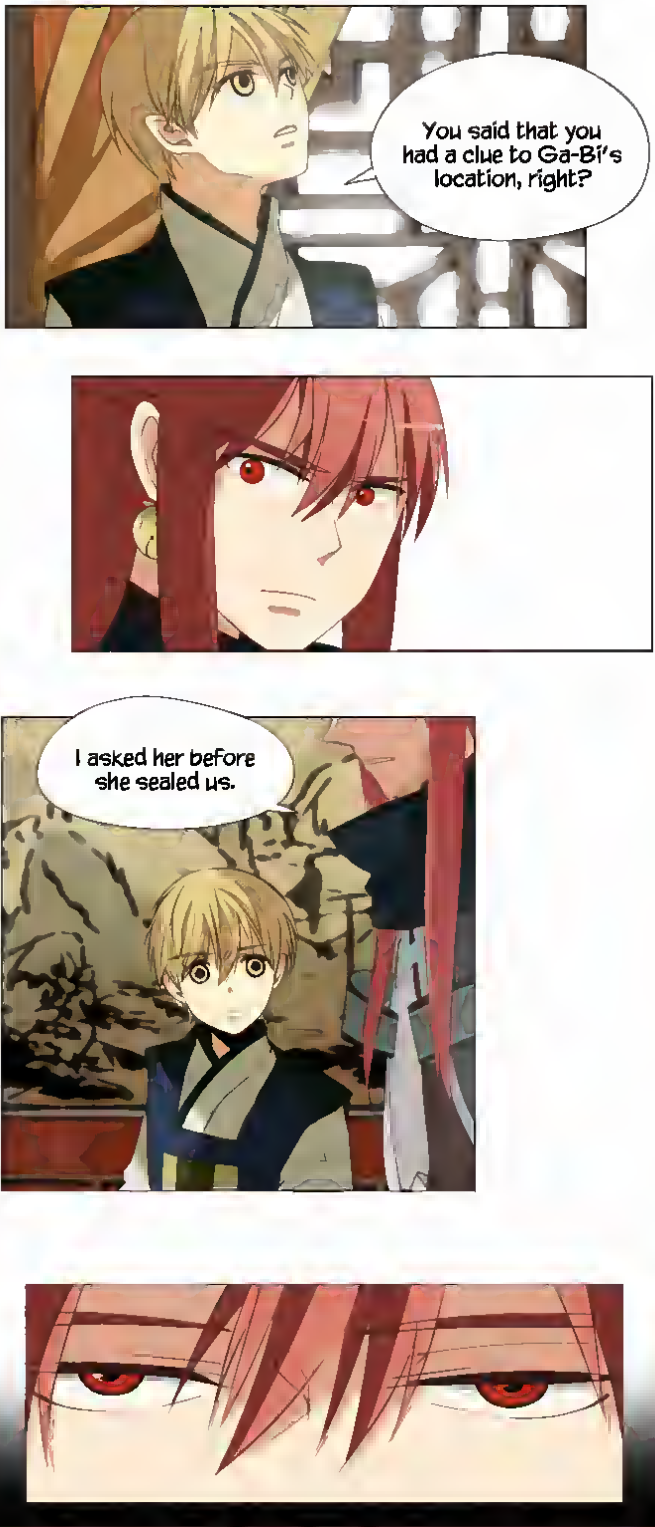
That's why I need solid proof.

I need to know why Dae-Hyun woke the bells, and why they want to find Ga-Bi.
Just because they know the reason, it's not like the other countries will try to do something.



However, under criticism from the other countries, Dae-Hyun wouldn't be able to remain in power.
That's why the emperor attempted to assasinate me for knowing about the Divine Bells' awakening.

And when the other countries find out that you were nearly killed because you knew about the emperor's plans,
they will become fractious.



You said that you had a clue to Ga-Bi's location, right?
I asked her before she sealed us.

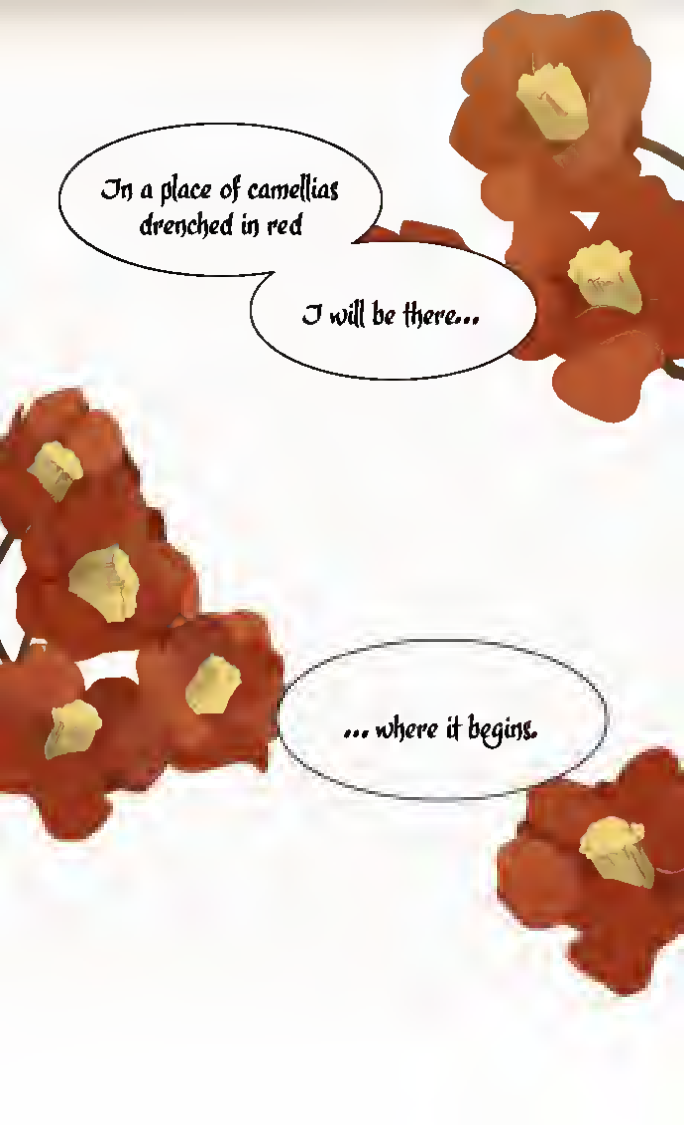
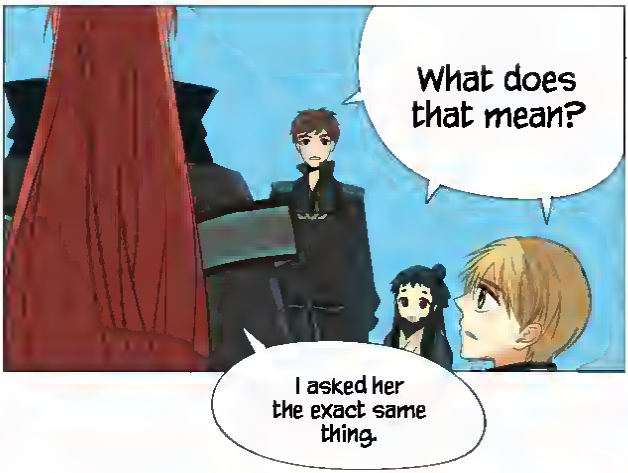
Chapter 26: Conference

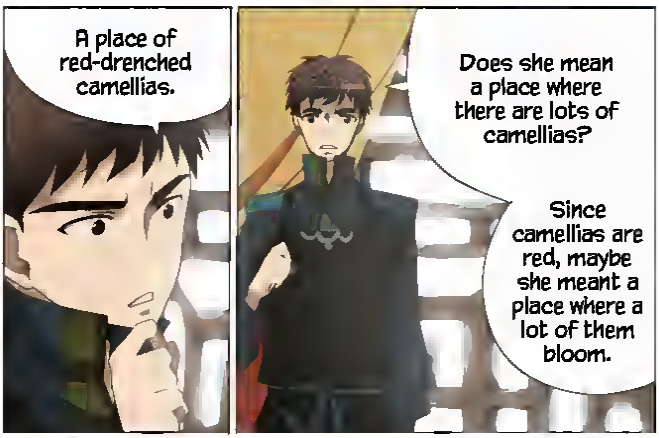
Where will you be?



In a place of camellias drenched in red
I will be there...
... where it begins.



What does that mean?
I asked her the exact same thing.



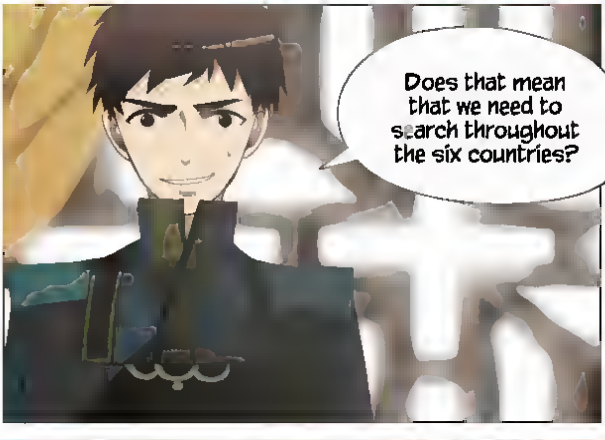
A place of red-drenched camellias.
Does she mean a place where there are lots of camellias?
Since camellias are red, maybe she meant a place where a lot of them bloom.

Then when she says, "where it begins," does she mean where the camellias first bloom?

Does anyone actually know where camellias first bloom?
Well, I suppose we should look for places where camellias bloom in Dae-Hyun.

Hmm, the thing is, I'm not sure if that place is really in Dae-Hyun.

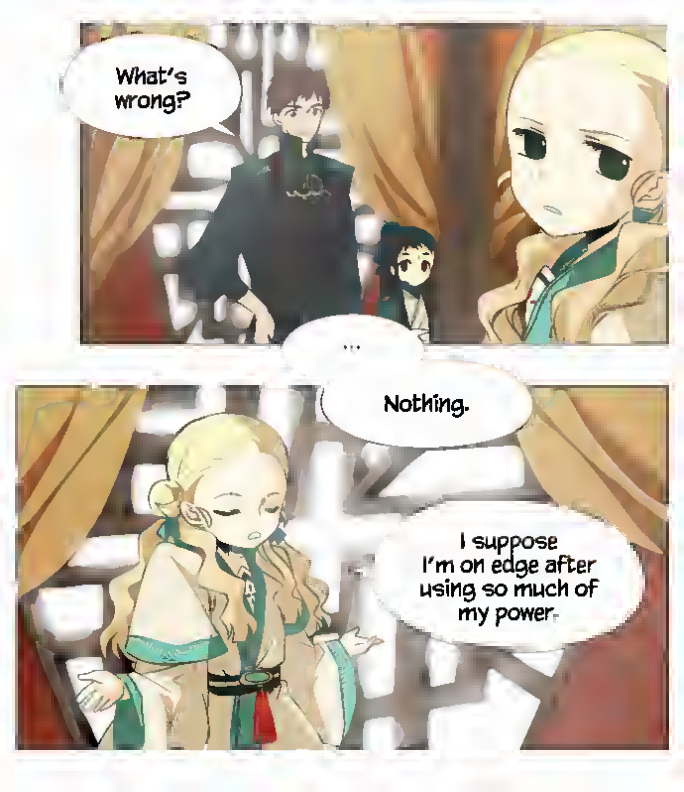
After all, she did want to leave that place.



Does that mean that we need to search throughout the six countries?

Do you think that you'll be able to find it before you die of old age?
Stand
HA-HYEON!
Yawn
Searching for that place in Dae-Hyun won't be easy,
but if you expand your search criteria to all those countries...

Rush



What's wrong?
...
Nothing.
I suppose I'm on edge after using so much of my power.

CAN'T YOU MAKE, LIKE, A BIG BIRD OR SOMETHING WITH YOUR POWERS? SO WE COULD RIDE THAT AROUND?
Wi-Jin, stop spouting nonsense.
Spiritual powers are not Godly.

You can deliver messages via birds, right?

Like how you did with Dae-Hyun's emperor.
Whom will you contact?

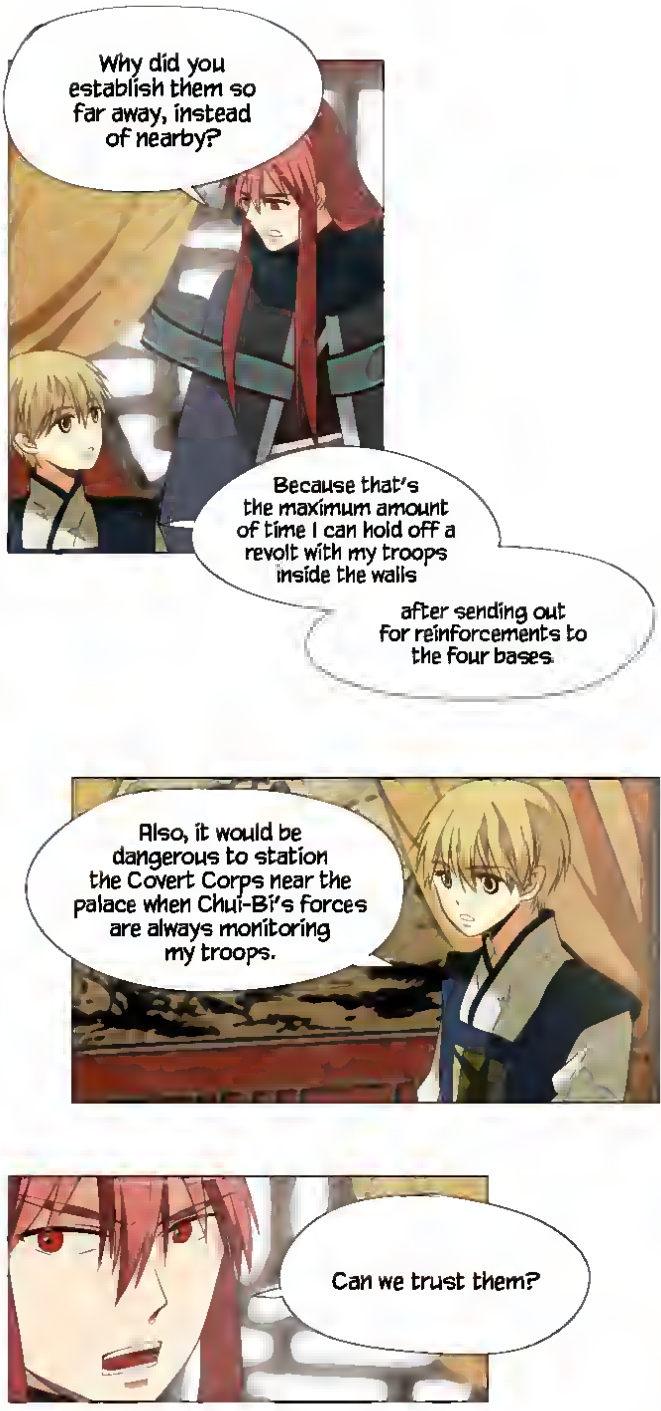
Covert Corps?

北
宮
西
南
Taking Chu-Yeon Palace as the center, there are four secret outposts around an hour away in the four cardinal directions.

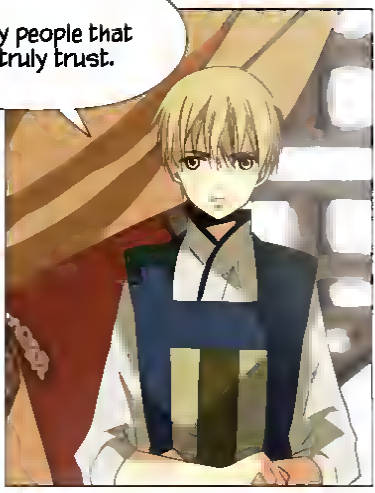
I prepared this in case of a revolt by Chui-Bi.



Why did you establish them so far away, instead of nearby?
Because that's the maximum amount of time I can hold off a revolt with my troops inside the walls
after sending out for reinforcements to the four bases.
Also, it would be dangerous to station the Covert Corps near the palace when Chui-Bi's forces are always monitoring my troops.
Can we trust them?

They are people I've known for years.

The only people that I can truly trust.



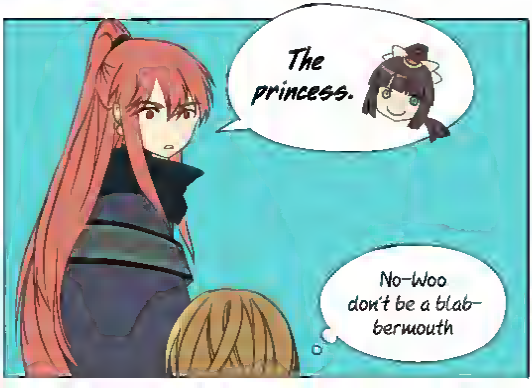
But you nearly got killed about a year ago, right? Doesn't that mean your troops aren't very trustworthy?

...

...who told you that?

The princess.

No-Woo don't be a blab-bermouth



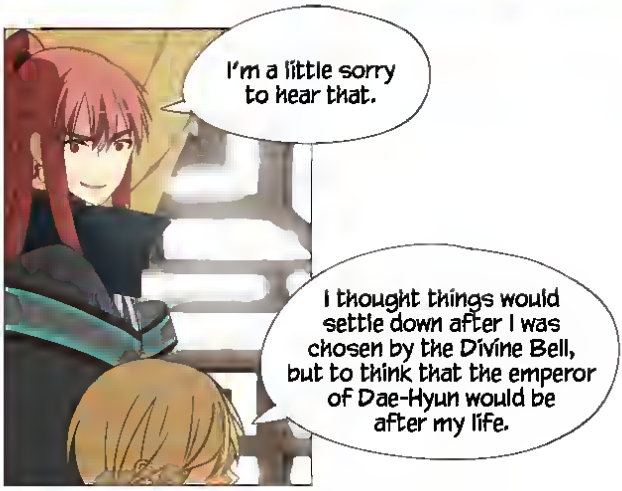
You think it's easy to gather people I can trust? The Covert Corps wasn't completely formed a year ago.
You could almost say that it was formed because of that incident.

Actually, the day I left for Dae-Hyun for the Bell Choosing Ceremony...

Be careful on your way back.
...I prepared a contingency plan, assuming that Chui-Bi would attack.
That woman would raise a fuss over anything.
If you don't get picked by a Divine Bell, your power as king could be weakened.

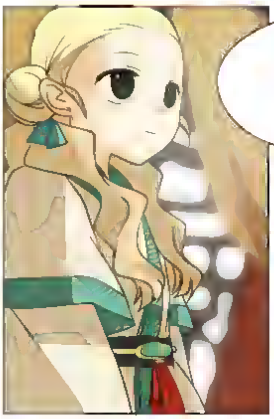
But I was chosen by the Divine Bell, so that turned out to be unnecessary...

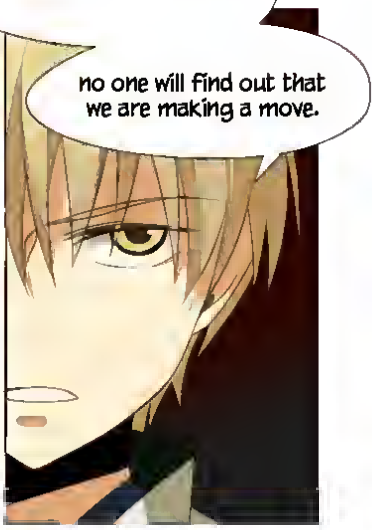
...For both Chui-Bi
and me.



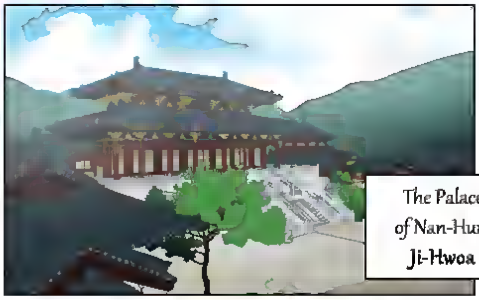
I'm a little sorry to hear that.
I thought things would settle down after I was chosen by the Divine Bell, but to think that the emperor of Dae-Hyun would be after my life.

But if we look for that place where the camellias bloom with the Covert Corps, we can save some time.





And since they are a covert force
no one will find out that we are making a move.



The Palace

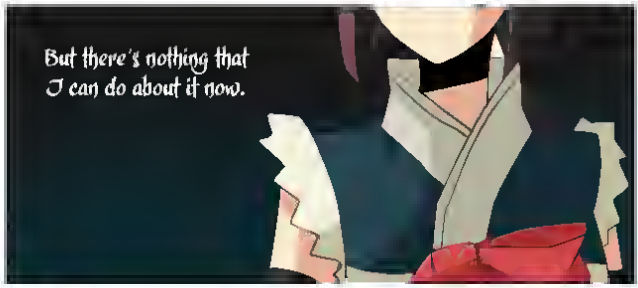
Why is the Royal Concubine here?
What is it?

The queen has ordered me to escort the Divine Bell to her.
Surprise
Why him?
Aren't there many things the Divine Bell should do for us? Attending the war council meetings, state events...
How happy it would make people if our Divine Bell participates in the Great Harvest...
Are they trying to use him for political purposes?
But this Divine Bell is nothing but a child
Huh?



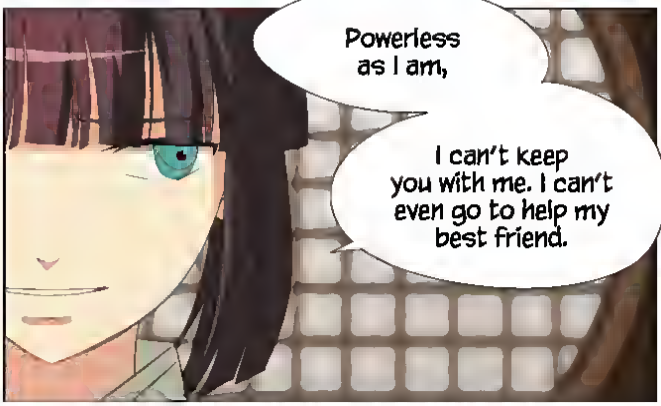
But there's nothing that
I can do about it now.

Sorry.
You should go.
Ehh?

Umm..! Can't
I stay here?

That lady is scary...

Your master is my mother, not me, so it can't be helped.
Sorry, Hoa-Back.



Powerless as I am,
I can't keep you with me. I can't even go to help my best friend.

Please follow me, Divine Bell

Urth

Anyway, for now, it would be better if we don't mention anything.
In this time and place, they have their own ways,
so it's not too late if we mention it after we understand what's going on.

I need you to find "a place where camellias bloom," and find someone there.

It will not be an easy task, because I know not which country she's in.

What happened to our king?
I'm leaving you in charge here.
Thanks to our king, it seems I can go touring around outside.

Covert Corps,
Western Outpost

Ah, I knew this would happen.
TREMBLE
TREMBLE

I knew I would have to do something troublesome like this.
This was exactly why I didn't want to be a captain.

Hey, you!
ATTENTION
YES, SIR!
CAPTAIN, SIR!

WHY DON'T YOU GO IN MY PLACE?
Glare
Dan:
Captain, Western Covert Corps

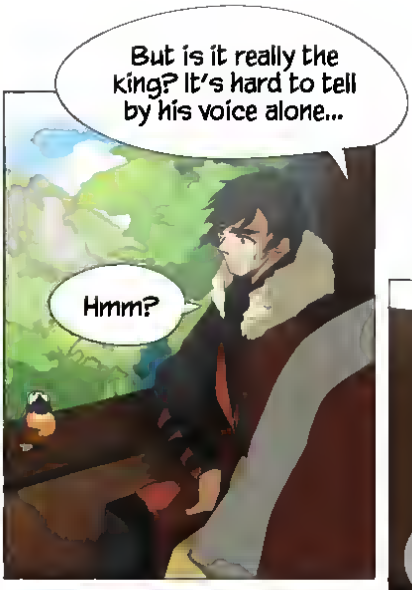
SIRRR?! B-BUT THE KING GAVE THESE ORDERS TO YOU. IT'S NOT LIKE I'M DISOBEYING ORDERS, IT'S...!!
...
Isn't it obvious that I'm only kidding? Why are you so shocked?
Why do I feel so empty?
Don't joke around with a face like yours.

I'm so thankful that you're alive, my king.
Poung-Yeon:
Captain, Southern Covert Corps

I wondered if we lost our jobs when he was chosen by the Divine Bell.
Reaches out

But why does it seem like there's a new problem?
A problem even bigger than Chui-Bi's rebellion? Things are getting interesting.
Sul-Lan:
Captain, Northern Covert Corps

Surprise
HO HO
HO HO HO HO
HO HO—
The captain's at it again?



But is it really the king? It's hard to tell by his voice alone...
Hmm?

What's that on its leg?

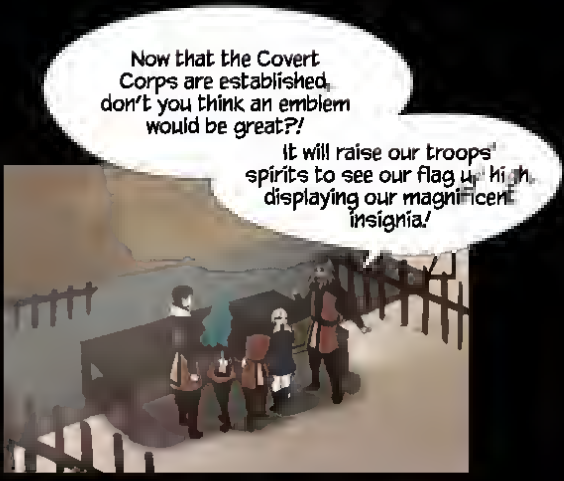
Unfold

Blink

Hahaha!
What is it, Captain?

Bwahahahaha!
It's him, for sure.
It really is our king.

Hey?



Now that the Covert Corps are established, don't you think an emblem would be great?!
It will raise our troops' spirits to see our flag up high, displaying our magnificent insignia!

So please, draw one for us!
Me...?
PFFT!

Eastern Captain! How dare you laugh at our king?!
Glare
No, no. I wasn't laughing at him, it was an accident.
Hm...
How about this?
.....
Pat
Pat

MY LORD. WE WILL TRY HARDER TO CREATE ANOTHER EMBLEM FOR THE COVERT CORPS.
...
Snicker
Snicker
Hmm

Why? This isn't that bad, is it?
Dan! You need a new pair of eyes.

You didn't need to say that aloud
Is it that bad?
Oops.
Ke Ke

I'm only kidding, my lord.♡
Kukukuku....
Master, could you stop laughing?
I'm not laughing, my king-ke-ke-ke!
Master...

SORRY, GANG-HUI.
Anyway, for now, it would be better if we don't mention anything.
In this time and place, they have their own ways,
so it's not too late if we mention it after we understand what's going on.

EVEN THOUGH HE TOLD ME NOT TO SAY IT!!

Sigh

I already suspected this.

You suspected this? Suspected what? That Dae-Hyun falsely portrayed the Divine Bells as gods?
Since when? Wait - if you actually knew about it, why haven't you said anything?!
Think about it. It's not that much of a stretch. An emperor of Dae-Hyun happened to discover the Divine Bells, and the Divine Bells have always favored Dae-Hyun.
It's a bigger stretch to think that Dae-Hyun wasn't manipulating things.
But that was merely a guess and not based on proof.
But we weren't losing anything by it, so I never mentioned it.

Not losing anything?

Other countries have considered Myung-Joo inferior, just because it was never chosen by the Divine Bells!

In this world, somebody always has to be the loser.

SO, YOU'RE SAYING THAT DAE-HYUN DID THE RIGHT THING?!

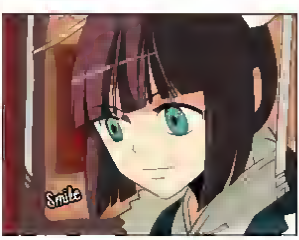
You will realize it when you reach this status.
In this position, you exist to protect the majority, not every last one.
B-but...

If someone is being hurt from the decisions,

...Then I think that's bad.

Uh oh

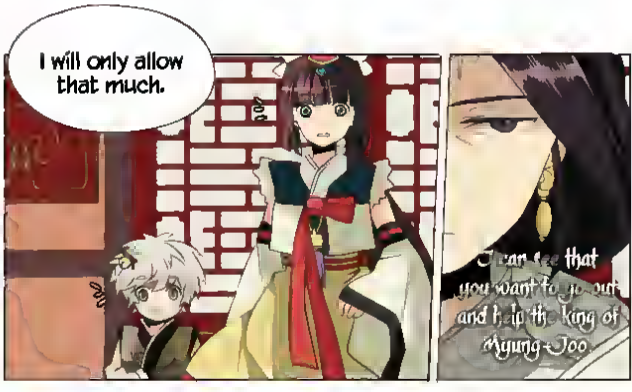
I-I'm sorry.
Hide
Hide



Smile

If that's the case, then this Divine Bell does not belong to you.
I'll look after him. I don't think he likes you, Mother.

So I ask you not to involve him in political matters.



I will only allow that much.
I can see that you want to go out and help the king of Myung-Joo.

So I'll grant you that much
That's great isn't it, Hoa-Back?
Yes!

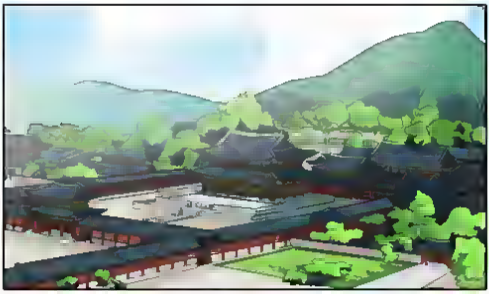
Divine Bells
Chapter 28 Hidden Feelings



What...
did you say?

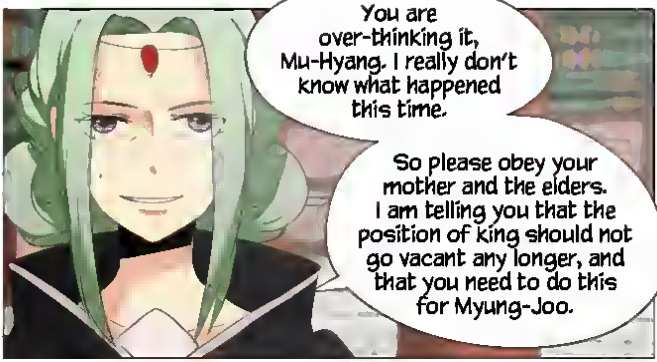
The king has been missing for just three days. Yet you want to replace him already?
It's not "just" three days, but "already" three days. The country can't be left without a king.

I refuse. So I ask you not to bring this up with me ever again.

Didn't I tell you a year ago, Mother? Not to want or aim for me to be king?
But your true colors surface as soon as the king is gone.

IS IT MY FAULT THAT THE KING IS GONE? YOU SHOULD KNOW THAT I HAD NO PART IN THIS.
NONE OF MY MEN ACCOMPANIED THE KING ON HIS TRIP TO DAE-HYUN.
BUT THAT'S EXACTLY WHY IT'S SUSPICIOUS!

Every time the king stepped outside the palace, you always sent your men along. But why didn't you send any this time?
Maybe you were expecting something to happen, so you didn't send them?



You are over-thinking it, Mu-Hyang. I really don't know what happened this time.
So please obey your mother and the elders. I am telling you that the position of king should not go vacant any longer, and that you need to do this for Myung-Joo.

I will not sit back and watch. Even if it is you, mother.

Stops

You told me that a year ago, didn't you?

1 year ago

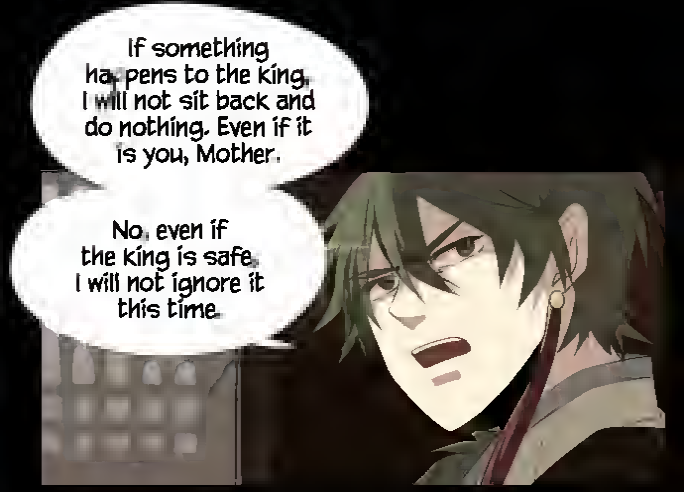
stride
stride

Mu-Hyang-nim!

Slide
CLACK
It's unlike you to open the door so rashly.
I heard that the king was attacked on his way back to the palace.
What have you done, Mother?!

What are you saying?
MOTHER!

Swish
It's useless.
Even if you leave now, that boy will die before you arrive.

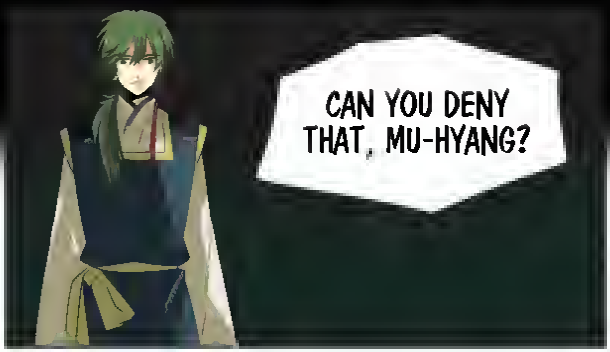


If something happens to the king, I will not sit back and do nothing. Even if it is you, Mother.
No, even if the king is safe, I will not ignore it this time.

But in the end, you sided with your mother.
Didn't you beg the king to spare my life?

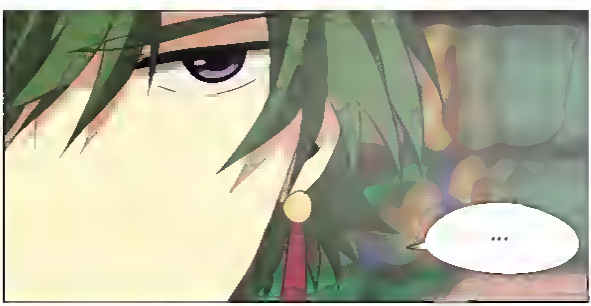
I do not seek to be king.
Clench
So please... give it up.
You don't seek it? Do not lie.
YOU'RE SIMPLY REPRESSING YOUR DESIRE!

IF YOU DON'T WANT TO BE KING, WHY DO YOU REMAIN IN THIS PALACE?
If you're really acting on behalf of the king, then you would've left the palace.
But why don't you even consider leaving?
Let us speak frankly now. Aren't you here, thinking that you can sit on the throne some day?



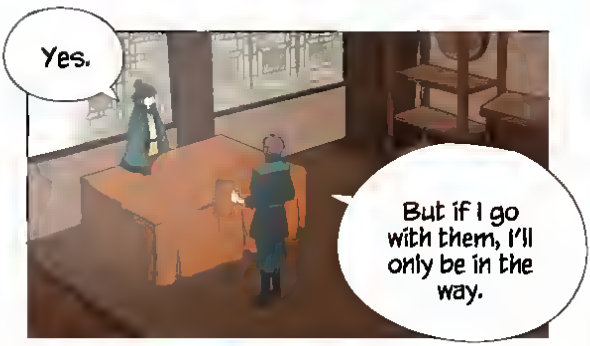
CAN YOU DENY THAT, MU-HYANG?

If you truly have no ambition for anything, then leave the palace at once!
If you leave, I'll abandon everything and go with you!

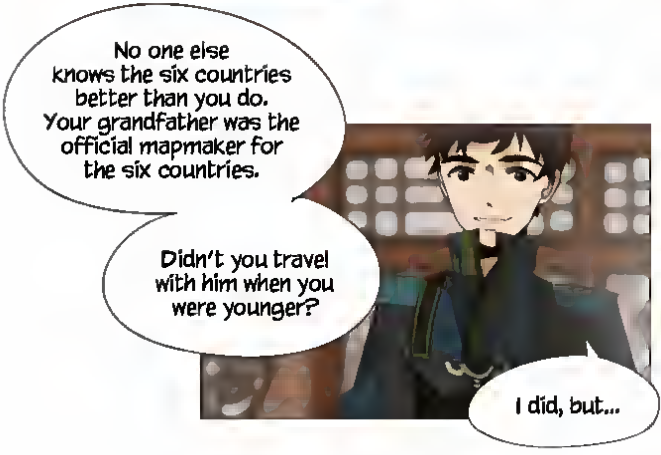


...

EHH?! ME, TOO?



Yes.
But if I go with them, I'll only be in the way.

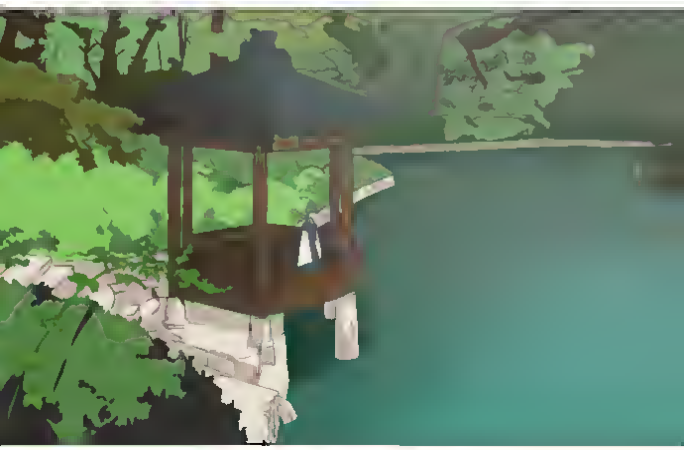


No one else knows the six countries better than you do. Your grandfather was the official mapmaker for the six countries.
Didn't you travel with him when you were younger?
I did, but...

And you're the only one who can handle Ha-Hyeon.
No, I don't think anyone can handle Ha-Hyeon.
WAIT! HA-HYEON WILL BE COMING, TOO?!
Yes, because Ha-Hyeon should be able to help out a lot.
But will she go? She doesn't like doing bothersome things.
Well...

...I don't think that will be an issue here.

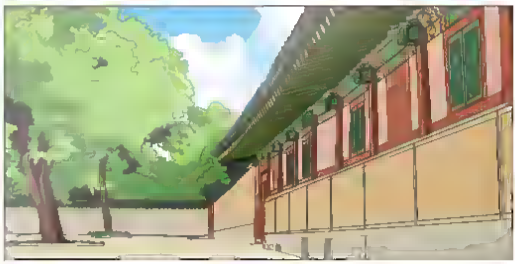
Step



If you truly have no ambition for anything, then leave the palace at once!
If you leave, I'll abandon everything and go with you!

Zing

Really, at a
time like this...



Rustle

It looks like I'll be hated even more...

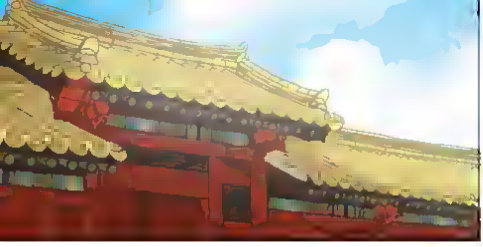
Emperor.

Letters from the other countries have arrived. They all agree to convene about the awakening of the Divine Bells.



Slide

What are the Divine Bells doing?
They've holed themselves up in their chambers. They're not being very cooperative.

Gabi will be...

...At a place of camellias drenched in red.

The beginning!

What's the matter, My lord?

IS ANYONE THERE?!
Yes, My lord?

Did anyone enter this room after I left?
No... no one. What's the matter?

That book had everything about the Divine Bells.

It was almost as if the book was left there for me to discover.

Think. Are you really doing this because you want to? That is, of your own free will?

Consider whether someone is really controlling you... controlling the supreme emperor like a puppet.

Rrr... Grrr!
My lord?
How dare they try to control me, the emperor?

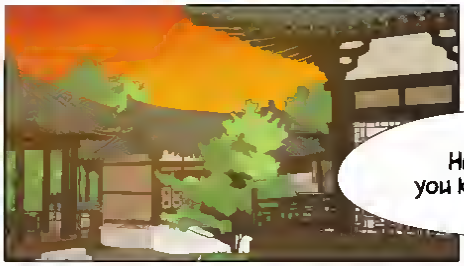
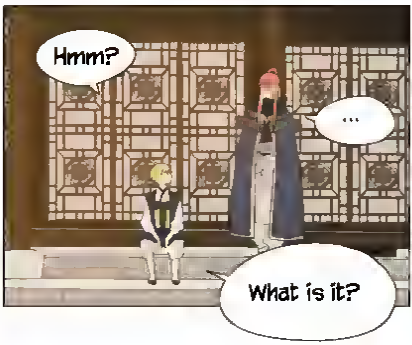
Divine Bells

Chapter 29 First Steps



Hey,
you know...



Hmm?
...
What is it?

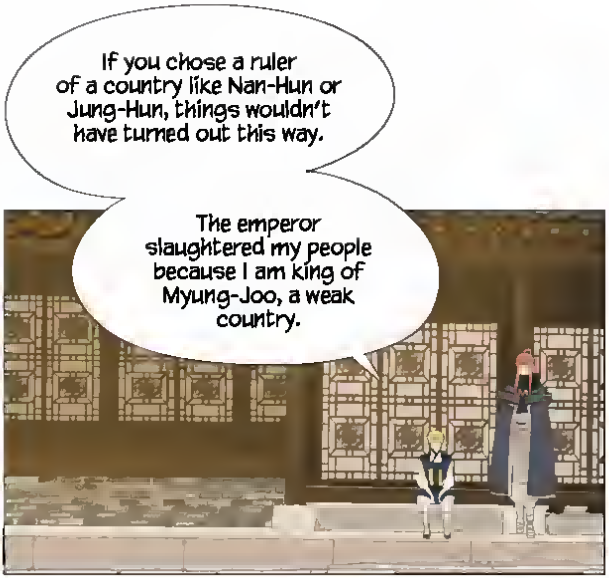
I think I should at least say sorry.
For what?

You're in this situation because I chose you.

Ah-ha! So you know how to apologize.
I can't be apologetic?
This kid really knows how to piss people off.

It's not your fault.
What?

This didn't happen because you chose me,
but because the person you chose was the king of Myung-Joo.
What's the difference?



If you chose a ruler of a country like Nan-Hun or Jung-Hun, things wouldn't have turned out this way.
The emperor slaughtered my people because I am king of Myung-Joo, a weak country.

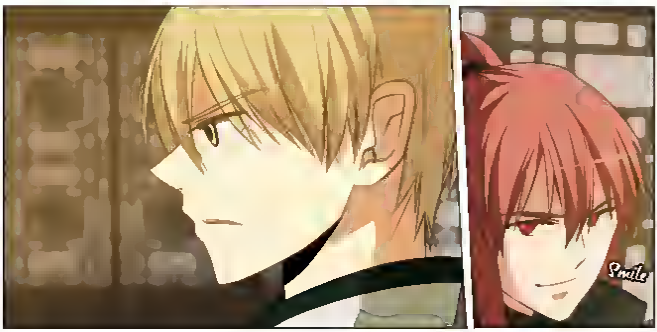
I feel angry about it, but facts are facts.

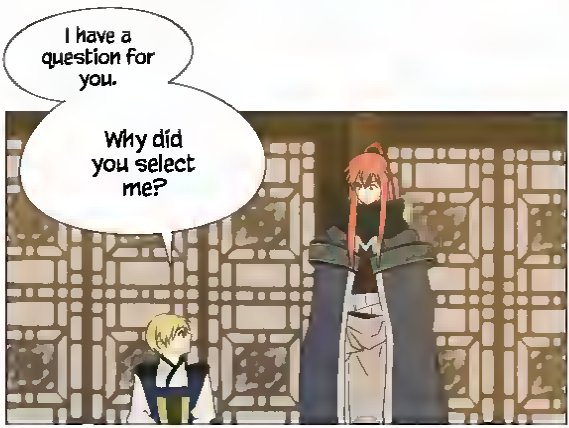
So, do you want to become stronger? Is that why you're coming with me to find Ga-Bi?
Even if I become stronger, I can't beat Dae-Hyun.
Aren't you a pragmatic guy?

But I want to prepare a foundation,

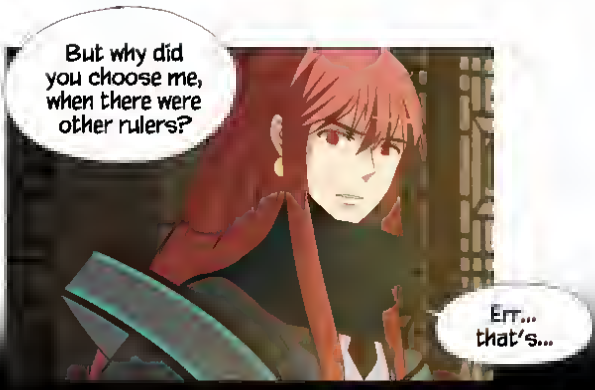
A foundation of strength,

tens and hundreds of years from now.





It was only because the priestess tried to force me to Dae-Hyun. I didn't want that, so I chose someone else.
It just happened to be this kid. There's no special reason for it.
You explained it before, right?



But why did you choose me, when there were other rulers?
Err... that's...

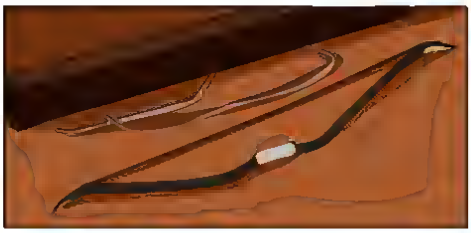
Because it was probably my misunderstanding

YOU WERE SCORNING THE DIVINE BELLS. SO THAT'S WHY I CHOSE YOU, THINKING THAT YOU WERE RIDICULOUS!
I didn't know things would end up like this.
You heard... all that?

You were having a lot of fun thinking!
So he heard my thoughts.

AH, HERE YOU ARE!!
Mumble
I need to be careful of what I say in front of the Divine Bells.
Huh? Did you say something?
I couldn't quite catch that.

...
Nothing.
What is it, Wi-Jin?
?



I heard that you prefer a bow over a sword.
A horn bow?

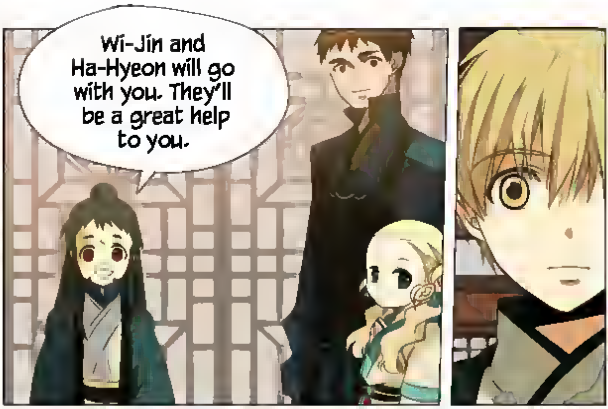
You didn't need to get me something so expensive.
Your face says otherwise, you know?

When will you leave?

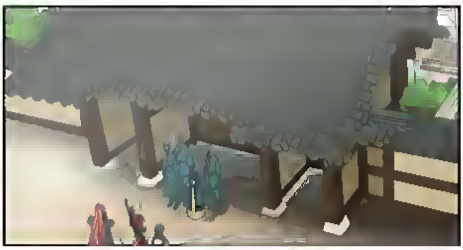
As early as tomorrow.
We have lots of places to go.

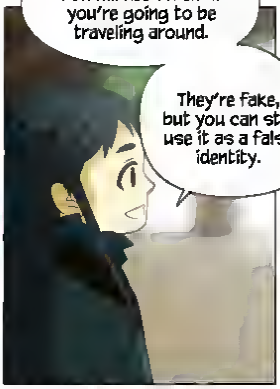
I will hold on to these clothes.

Please come back safely to reclaim them.



I'm much obliged.





They're hopaes. You will need them if you're going to be traveling around.
They're fake, but you can still use it as a false identity.

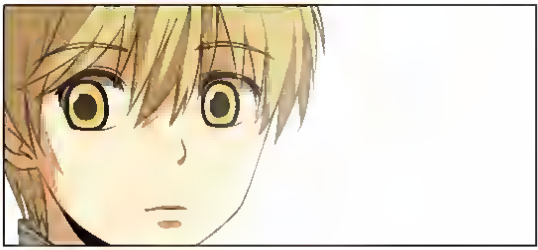
T/N Hopae Identification tag carried by Koreans during the Joseon Dynasty recording the bearer's name, place of birth, status, and residence

T/N: Translation of the search team's names
Gang-Hui (Duk-Pal) = Mr Virtue
Ha Hyeon (Bong Soon) = Bossy
Mi Jin (Chun-Sim) = Always Happy
Hong-Hyung (Rok-Nam) = Overflowing Fortune

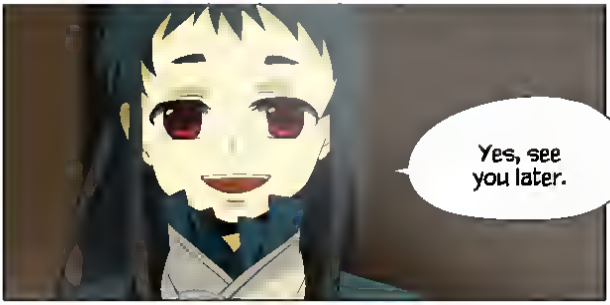
WHAT'S WITH THESE NAMES??!!
Chun-Sim
Why did I get a girls name??
Bong Soon
Bok Nam
I asked a famous SoothSayer to create names that would grant you a Smooth mission!

Dong-Hyung, you went to sooth-sayer when you have a priestess before your eyes?
Flinch
Umm, Err...
I COULD'VE DONE IT FOR A CHEAPER PRICE!
You should've told me!
...sorry.

Pat
What are you saying?
You're helping us the most.
Source of money
?
Stare
What is it?
You're even cooler than I thought.



Now then,
we're off.

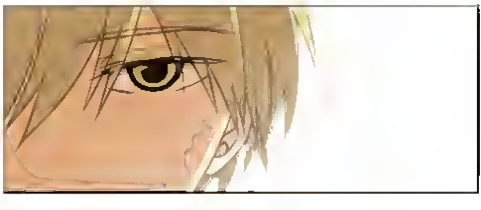


I can't say I'm not worried.
Nothing about the beginning or end of this journey

...Is certain

But I'm not alone.

And now I,
In the hopes of doing something



Let's go.

..Am setting out with courage.

We're going to Dae-Hyun!

then he must not be that important.

That's right, that old guy isn't even our master.
And he's ugly.
Yeah, what a homely face.

I really want to meet up with everyone in Dae-Hyun!
Me too! I want to see them soon!

Did you send the letter to the emperor of Dae-Hyun?

I sure did. I think he's starting to suspect us though.
It doesn't really matter if he's on to us. It won't make him change his mind about finding Ga-Bi.

It seems that everyone is making their move.
I should back off for now.
Who do you think will find Ga-Bi first.

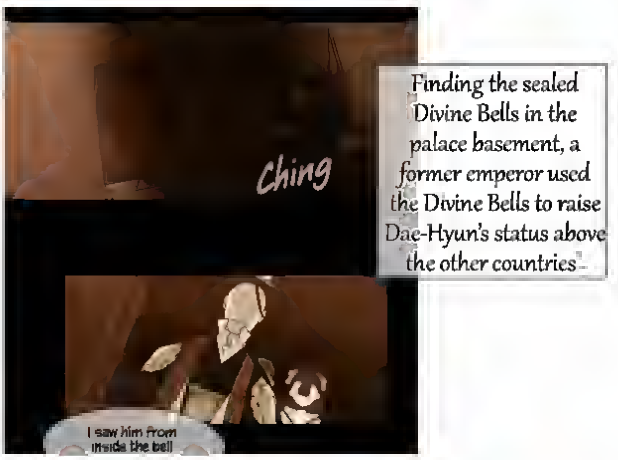
A summary of the events of Divine Bells in a chronological order

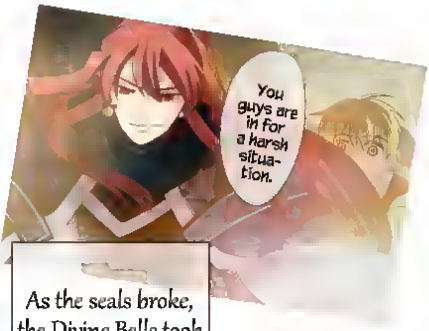
Ga-Bi, a priestess of Dae-Hyun 150 years ago, erased every memory of her and the Divine Bells and sealed the Divine Bells and herself
Wave
SSSss...
D-d-d
Flash



Finding the sealed Divine Bells in the palace basement, a former emperor used the Divine Bells to raise Dae-Hyun's status above the other countries.
Ching
I saw him from inside the bell

And after 150 years, things became complicated when one Divine Bell chose Hong-Ryung, the king of the weakest country, Myung-Ju, as its master...

And then, the current emperor of Dae-Hyun unsealed the Divine Bells.



As the seals broke, the Divine Bells took on human form...

...and the emperor asked them the whereabouts of Ga-Bi.

And Yun thoughtlessly blurted that Gang-Hui would know where she was.

When the emperor threatened Gang-Hui and Hong-Rung for information on Ga-Bi, Gang-Hui sternly cut him off.

Enraged, the emperor ordered their deaths.

But they escaped safely, thanks to Dong-Hyung, the brother of the emperor.

After that, they created some puppets and faked their deaths with the help of Ha-Hyeon, who possessed spiritual powers.

And they set off on a journey to find Gabi.

I actually considered starting Season 2 as soon as I completed the last chapter,
but I thought I should summarize the storyline and the characters of Season 1.
PUNCH
I actually want to rest... sigh

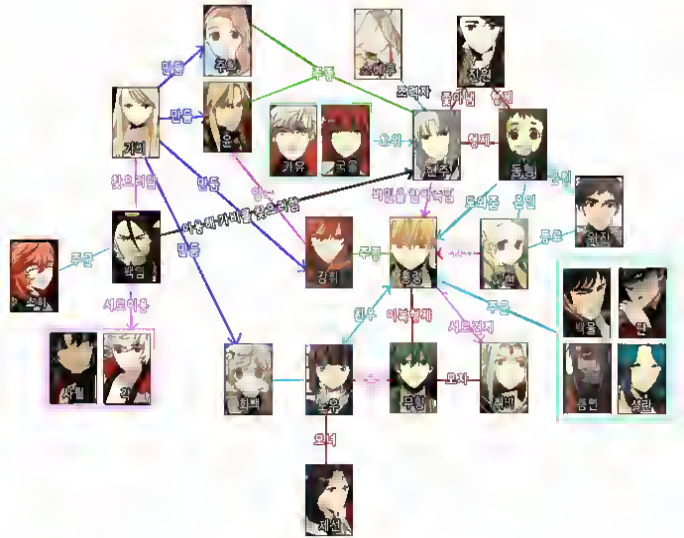
their relationships



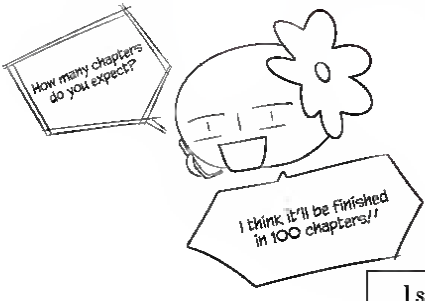
It becomes a mess

T/N: (Please forgive me for not translating all that. It's painful to read. TT)

Many people told me that Season 1 was too short, but you could say that Season 1 was just a very long prologue.

Season 2 won't be as short as Season 1. I think it will end up much longer.

When I first talked to my editor about the chapters that I planned



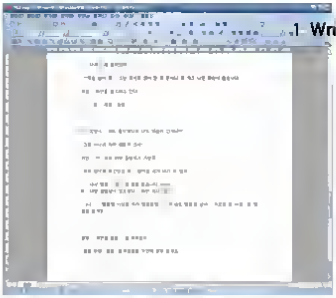
I said that, but...

Season 1 was supposed to be only 20 chapters, but grew to 30. I don't think it will be finished in 100 chapters

Divine Bells working process

I tried to sum it up since a lot of readers were asking about it

1 Write the plot



2 Draw a name in a way that only I can understand

3 Sketch in a way, again, that only I can understand

4 Trace the lines and polish it up

T/N For those who haven't read Bakuman. "name"is the storyboard of a manga, webtoon etc. (BTW go read Bakuman. it's a great manga.)

5. Add colors

6. Add the tones and shading tediously

7. Add a pre-drawn backdrop or draw a new one

8. Add speech bubbles, sound effects and impacts

9. Add the words into the speech bubbles and add the SFX and it's done!

Also, people were wondering about how I drew the backgrounds. For palaces and buildings, I went around taking photos of real-life buildings for reference.

I thought it would be easy, just tracing over the pictures

But I fell deeper and deeper into the Hell as I drew more

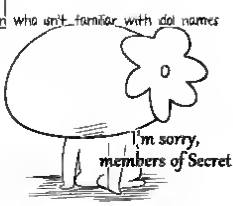
But since I'm more or less used to it now, I think I'll continue to use this method

While reading some comments, I saw one asking if I was a fan of Secret

I wondered about this and looked into the reason. I found that the two Divine Bells appearing in the chapter were the same as two Secret members.

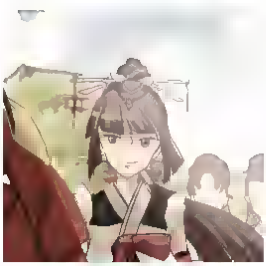
Jieun, Sunhwa

1 person who isn't familiar with idol names



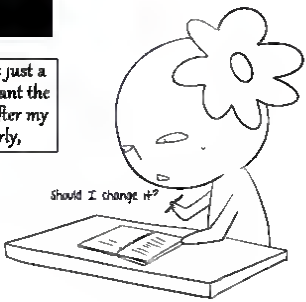
Regarding the naming of the Divine Bells, it was back in January, 2009

I was actually planning on using the name Sunhwa on No-Woo. However, No-Woo was supposed to die early.



In the final version, Hong-Ryung's men died, but even then, I was planning on killing No-Woo

Even though it was just a webtoon, I didn't want the character named after my friend to die early,



So I gave the name Sunhwa to this character

And after naming most of the main characters, I had to think of the names for Divine Bells excluding Gang-Hui and Hoa-Back

Should I just use my friends' names for the other characters?
Scratch!
Back when I didn't think I could be a webtoon artist with Divine Bells

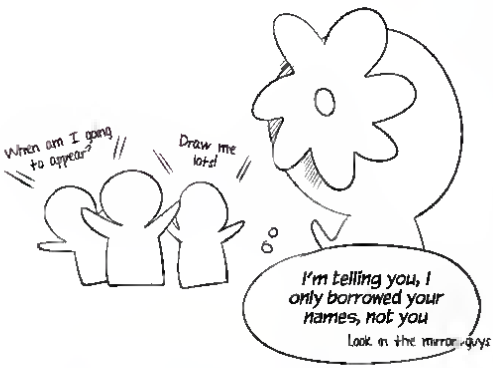
So, I just used my friends' names for the characters

<Announcing my friends' names>

These names were too modern so I tweaked them a little

These two were also altered slightly

But there was a backlash



I apologized about that

Sorry, I didn't think the character would be hated on this much
The friend whom Yun was named after
SO COOL
It's all right. I'm cool with it.

And she didn't think much of it

And so, whenever there's a character you don't like...

And from here on...
